STUDENT LOGIN!

Updated 12.3.18
Bloxels EDU Version 1.3

Once you have created a class and student accounts in the Hub, your students can start logging in to the Bloxels EDU app using the Class Code and creating or entering their own four digit numeric password.

1. **Open the Bloxels EDU App!**
   
   Open the Bloxels EDU app and tap the ENTER CLASS CODE field.

2. **Enter the Class Code**

   Type in the CLASS CODE that was generated or created for the Class in the Bloxels EDU Hub.
3. **GO!**
Tap the GO! button.

4. **Select Student Account**
Tap the USERNAME created for the Students Account.

5. **Next!**
Tap the NEXT button.
**Create or Enter Password!**
Tap the first BLOCK to open the keypad.

**Enter Password**
Tap the NUMBERS on the keypad to create or enter a four digit password.

**Your Password**
Once you have entered the password, tap the GO! button.
Password Set!

Memorize this password! Students will enter this four digit password each time they login to their account in the Bloxels EDU app.

If students forget their password you can RESET PASSWORD in the Hub and the student will be prompted to create a new password the next time they login.

Tap the **OK** button.

Getting Started on the Home Screen!

Tap the **AVATAR** to open the Account Panel.

Tap the **BUILD** button to open the Game, Character, Art, and Background Builders.

Tap the **SETTINGS** button to adjust the Music and SFX Volume.

Account Panel

Tap the **BADGES** icon to view Badges.

Tap the **ENVELOPE** icon to view Messages.

Tap the **DOOR** icon to Log Out of the account.
Tap the **YES, GOODBYE** button to log out of the account.

If you are still having trouble with Student Login or anything else in the Bloxels EDU Hub or app, please contact us at education@bloxelsbuilder.com, or using the SUPPORT link in your account drop down in the top navigation in the Hub!
