PARENT OBSERVATION INVENTORY

Student Name: _____

Students requiring gifted services frequently display intellectual and personal characteristics or talents beyond specific performance in school. Please share any information, news, or examples that you believe would help a committee understand your child more completely. **Specific examples are very helpful.** Please feel free to use additional paper.

1. Intellectual Characteristics – (curiosity, questioning, type of thinker, perspective, vocabulary, learning style)

2. Personal Characteristics - (persistence, approach to collaborative work, type of humor, sensitivity, interests, leadership, talents, interests, response to advice/criticism)

3. Why do you believe your son/daughter requires gifted services?

4. Provide an example of a circumstance or event that illustrates your child's need for gifted services:

5. Other characteristics or circumstances that should be considered when determining whether or not gifted services are required:
