

## Trivium Academy Carpool Plan - Spring Semester

Blue Path is for students with numbers 100-199.

Red Path is for students with numbers 200-400.

All cars must enter at the light at Province and snake through the parking lot the same way we have been. All cars must exit at the light with a right turn only.

Please remember:

- do not use cell phones
- turn your radios down
- roll down windows when possible so that car pool attendants can communicate with you

As always, we are focusing on safety as we all learn the new carpool procedures, and we appreciate your cooperation.
