Dear Parents/Guardians:

Attached you will find a copy of the State of Texas 2016–17 School Report Card for Trivium Academy. This is a report required by the Texas Legislature and prepared by the Texas Education Agency. It is to be sent to the parent or guardian of every child enrolled in a Texas public school. The report provides information concerning student performance on the State of Texas Assessments of Academic Readiness (STAAR[®]), as well as information on student enrollment, class size averages, and financial expenditures.

The information contained in the School Report Card is required by state law and is briefly described in the enclosed “2016–17 School Report Card Definitions.” The report for our school may or may not have all the information described because the information presented depends on whether the school is an elementary, middle, or high school.

State law requires that the school report card display information about the state, the district, and the school. Where possible, the information must be reported by race/ethnicity and socioeconomic status of the students and must include at least two years of results.

The School Report Cards can be found online at
<https://rptsvr1.tea.texas.gov/perfreport/src/20176/campus.srch.html>

A more complete report about Trivium Academy, the Texas Academic Performance Report (TAPR), is available online at <https://rptsvr1.tea.texas.gov/perfreport/tapr/index.html>

Please contact me if you have any questions concerning this report card. Thank you for your continued support of Trivium Academy.

Sincerely,

A handwritten signature in black ink that reads 'Marsha Cawthon'. The signature is written in a cursive style with a large, looped 'M' and 'C'.

2017 Performance Index

State accountability ratings are based on four performance indices: Student Achievement, Student Progress, Closing Performance Gaps, and Postsecondary Readiness. The bar graph below illustrates the index scores for this campus. The score required to meet each index's target is indicated below the index description and as a line on each bar. In 2017, to receive the Met Standard or Met Alternative Standard accountability rating, districts and campuses must meet targets on three indices: Index 1 **or** Index 2 **and** Index 3 **and** Index 4.

2017 Accountability Rating

Met Standard

For 2017 state accountability, campuses are rated as **Met Standard**, **Improvement Required**, or **Not Rated**. The rating, **Met Alternative Standard**, is assigned to charters and alternative education campuses evaluated under alternative education accountability (AEA) provisions.

Distinction Designations

Top 25% Closing Perform Gaps

Campuses that receive a rating of **Met Standard** are eligible for as many as seven distinction designations: **Academic Achievement in English Language Arts (ELA)/Reading, Academic Achievement in Mathematics, Academic Achievement in Science, Academic Achievement in Social Studies, Top 25%: Student Progress, Top 25%: Closing Performance Gaps, and Postsecondary Readiness.**

2016–17 School Report Card (SRC) Definitions

Annual Dropout Rate: Annual Dropout Rate (Gr 9–12) is reported for high schools only. The annual rate is the number of students who dropped out (in grades 9–12) expressed as a percentage of the number of students in attendance in grades 9–12.

Attendance Rate: The report shows the attendance rate for the 2015–16 school year for students in grades 1–12.

Class Size Averages: Class sizes are calculated from teacher class schedules. For example, the total count of students in science is divided by the count of science classes. Elementary classes are shown by grade; secondary classes are shown by subject.

Distinction Designations: Distinction designations are awarded in recognition of outstanding achievement in specific areas. For 2017, distinction designations are awarded in the following areas: Academic Achievement in English Language Arts/Reading, Academic Achievement in Mathematics, Academic Achievement in Science, Academic Achievement in Social Studies, Top 25 Percent: Student Progress, Top 25 Percent: Closing Performance Gaps, and Postsecondary Readiness.

Economically Disadvantaged: The percentage of economically disadvantaged students is the count of students that are eligible for free or reduced-price lunch or other public assistance divided by the total number of students.

English Language Learners: These are students identified as having limited English proficiency (LEP), or as English language learners (ELLs), by the Language Proficiency Assessment Committee (LPAC).

Expenditures per Student: This is calculated as total expenditures for 2015–16 divided by the total membership for 2015–16. For more information, contact the Office of School Finance at 512-463-9238. For a detailed report, see the 2015–2016 PEIMS Financial Actual Reports at <http://tea.texas.gov/financialstandardreports/>.

Instructional Expenditure Ratio: This is calculated as instructional and related expenditures for 2015–16 divided by total expenditures for 2015–16. For more information, contact the Office of School Finance at 512-463-9238. For a detailed report, see the 2015–2016 PEIMS Financial Actual Reports at <http://tea.texas.gov/financialstandardreports/>.

Instructional Staff Percent: This is calculated as instructional and related Full Time Equivalents (FTEs) for 2016–17 divided by total FTEs for 2016–17. For more information, contact the Office of School Finance at 512-463-9238.

Longitudinal Rates: These indicators show the status of students after four years in high school (4-Year Longitudinal Rate) or after five years in high school (5-Year Extended Longitudinal Rate). The four-year rate includes students who first attended ninth grade in 2012–13, showing their final status with the class of 2016. The five-year rate includes students who first attended ninth grade in 2011–12, showing their final status at the end of 2016. These show the percentage of students who graduated, received a GED, continued high school, or dropped out.

Membership: See Total Students.

Mobility Rate: A student is considered to be mobile if he or she has been in membership at the school for less than 83% of the school year.

2016–17 School Report Card (SRC) Definitions

Progress of Prior-Year Non-Proficient Students: The percentage of students in grades 4–8 who did not reach the satisfactory standard on STAAR in the prior year but passed the corresponding assessment in the current year.

Race/Ethnicity: Students are reported as African American, Hispanic, White, American Indian, Asian, Pacific Islander, and Two or More Races.

RHSP/DAP Graduates: The percentage of graduates who were reported as having satisfied the course requirements for the Recommended High School Program (RHSP) or Distinguished Achievement Program (DAP). It excludes FHSP graduates.

RHSP/DAP/FHSP-E/FHSP-DLA Graduates: The percentage of graduates who were reported as having satisfied the course requirements for the Recommended High School Program (RHSP), Distinguished Achievement Program (DAP), Foundation High School Program (FHSP) with an endorsement (FHSP-E) or the distinguished level of achievement (FHSP-DLA).

SAT/ACT Results: The report provides four indicators: (1) Tested shows the percentage of graduates who took either the SAT or the ACT, (2) At/Above Criterion shows the percentage of examinees who scored at or above the “Criterion Score” of 1110 for SAT and 24 for ACT, (3) Average SAT Score, and (4) Average ACT Score. Information is shown for the classes of 2015 and 2016.

Special Education: The population of students served in special education programs

STAAR: The State of Texas Assessments of Academic Readiness (STAAR®) is a comprehensive testing program designed to measure to what extent a student has learned, understood, and is able to apply the concepts and skills expected at each tested grade level. Students are assessed in reading (grades 3–8), mathematics (grades 3–8), writing (grades 4 and 7), science (grades 5 and 8), and social studies (grade 8). End-of-course assessments are given for English Language Arts I and II, Algebra I, Biology, and U.S. History.

Measures for the STAAR are shown: STAAR Percent at Approaches Grade Level Standard or Above, which is used to determine the Index 1 score, STAAR Percent at Meets Grade Level Standard, which is used to determine the Index 4 score, STAAR Percent at Masters Grade Level Standard, which is used to determine the Index 3 score, and STAAR Percent Met or Exceeded Progress and STAAR Percent Exceeded Progress, which are used to determine the Index 2 score.

Student Success Initiative: The Student Success Initiative (SSI) shows performance on STAAR reading in grades 5 and 8, including performance for students who were not proficient in the past year and re-tested on the assessments.

Total Students: This is the total number of public school students who were reported in membership on October 28, 2016, at any grade from early childhood education through grade 12. Membership differs from enrollment because it does not include students who are served by the district for less than two hours per day. For example, the count of Total Students excludes students who attend a nonpublic school but receive some services, such as speech therapy, for less than two hours per day from their local public school.

Special Symbols: The 2016–17 SRC uses the following special symbols:
