PUBLIC HEARING FOR TRIVIUM ACADEMY ANNUAL REPORT

Carrollton, TX, February 16, 2018– At the regularly scheduled meeting of the Board of Trustees on Wednesday, February 28 at 5:00 p.m. at the school, a public hearing will be held to present the Trivium Academy Annual Report as required by the Texas Education Agency. This Annual Report focuses on the academic and demographic information for the 2016-17 school year at Trivium Academy.

“We are pleased to present our first Annual Report to the community,” said Sheryl Bradley, superintendent. “I am proud of the job that our staff did in the inaugural year of Trivium Academy, and the fact that we “Met Standard” and achieved distinction in closing performance gaps reflects the hard work of an entire team dedicated to ensuring a quality education for our students that focuses on our Three E’s—Engage, Examine, Express.”

As 2016-17 was the first year in operation for Trivium Academy, this Annual Report will not include financial information. The 2016-17 financial information will be available in the 2017-18 Annual Report which is anticipated to be released in the winter of 2019.

This Annual Report will be available on the Trivium Academy website under the Compliance tab within two weeks of this public hearing.

Trivium Academy is pleased to offer a classical education for the modern world. This open-enrollment charter school currently has students in grades kindergarten through 7th and will add a grade level each year until becoming a full K-12 school.
