Greetings in Christ!

As parishes plan and budget for the year ahead, I would like to take this opportunity to invite all the faithful of our diocese to visit the historic, coastal city of Wilmington, NC, during our 37th annual Diocesan Assembly.

While our business meetings will take place as usual, a special emphasis is being placed on fellowship this year. Delegates and observers may register for all sessions, but anyone will be able to attend talks, register for events a la carte (including an opening night dinner cruise with Bluegrass and BBQ and a final night banquet), and join us for worship daily. We are also encouraging participation by all diocesan youth in our special youth program.

Make plans to come, participate in the wider life of the diocese, and enjoy the natural beauty that our region has to offer. Come early or stay late (check out rental homes in our region on VRBO.com). A block of hotel rooms will open this spring (at the Marriott Courtyard, Historic Downtown) – we hope to welcome many old friends and to see many new faces next July. More details to come toward the beginning of Great Lent.

Sincerely in Christ,

Priest Peter Robichau, St. Basil Mission
