

Freedom Counseling Center

Fees and Financial Agreement

Financial Agreement

Counseling fees will be determined prior to the initial session. Please understand that payment of your bill is part of your treatment. Payment is due in full at the beginning of each session. Appointments will not be extended beyond any unpaid session, and additional counseling appointments will not be scheduled until payment is received. We accept cash and check.

The Freedom Counseling Center operates on a sliding scale based on income. Our scale is as follows:

Income per year	Fee per 50 minute session
Under \$50,000	\$50
\$50,000 - \$59,999	\$60
\$60,000 - \$69,999	\$70
\$70,000 - \$79,999	\$80
\$80,000 - \$109,999	\$90
\$110,000+	\$100

Clients (or legal guardians of minor clients) will be required to turn in most recent tax return to verify income. If clients do not wish to supply income for verification, they will be charged the maximum rate (\$100 per session).

Sliding scale fees may be altered due to financial hardship, in which case, the individual counselor and client will discuss and agree upon mutually appropriate fees per session.

The Freedom Counseling Center does not bill insurance for services rendered, however we can provide you with a receipt for you to file a claim and request reimbursement from your insurance company.

A separate fee will be charged for tests, reports, or expert testimony.

Cancellation Policy

The time scheduled for your session is reserved for you. **If you miss an appointment without canceling or if you cancel with less than a 24-hour notice, you will incur a fee of \$50.**

If you are late for a session, we will use the time remaining, but you will be charged the full rate.

I have read, understand, and agree to abide by the above financial policies of the Freedom Counseling Center.
