Many nights we've prayed with

no proof anyone could hear. In our hearts a hopeful song we

barely understood. Now we are not afraid, although we know there's much to fear.
We were moving mountains long before we knew we could.

There can be miracles when you believe. Though hope is frail, it's

hard to kill. Who knows what miracles you can achieve?

Oo
When you believe, somehow you will,
you will when you believe.

In this time of fear, when prayer so often proved in vain,

hope seemed like the summer birds, too swiftly flown away. Yet
now I'm standing here, with heart so full I can't explain,

seeking faith and speaking words I never thought I'd say.

There can be miracles when you believe.
Though hope is frail, it's hard to kill. Who knows what miracles
lieve. Though hope is frail, it's hard to kill. Ah
