

FREMONT HIGH SCHOOL ATHLETIC BOOSTERS

The mission of the Athletic Boosters is to help fund athletics at Fremont High School.
Last year we contributed over \$18,000 to support athletics (see backside for more details).

A strong athletics program reflects favorably on our school and provides a source of pride for the entire school community. Additionally, athletic events allow parents, alumni, students and school staff an opportunity to come together in a positive atmosphere.

We ask each athlete's family who is able, to donate to athletics through the Athletic Boosters. Even if you don't have a student athlete, please consider supporting our athletes through your donation.
