HELLENIC UNIVERSITY CLUB OF PHILADELPHIA

WHO WE ARE

The Hellenic University Club of Philadelphia is a cultural organization of Greek-American professionals that was founded in 1936. During the past 80 years, we have grown and flourished in Philadelphia—the metropolis founded by William Penn, who also chose our city’s name from the Greek, meaning “City of Brotherly Love”.

The mission of the Hellenic University Club of Philadelphia is both educational and social. Our members come together to learn more about our heritage and to keep Hellenic culture thriving in Philadelphia. We also administer the largest Scholarship Grant Program among all Hellenic-American organizations in the Philadelphia region.

From the beginning, our Club leaders honored and promoted the concept of *Paideia*, the Greek word for *learning* or *education*, and today, 80 years later, *Paideia* continues to be our guiding light.

The Gift of LEARNING

Anyone can give money. But to do this to the right person, to the right extent, with the right motive, and in the right way, that is not for everyone, nor is it easy.

Such goodness, therefore, is rare, praiseworthy and noble.

Shortly after establishing the Hellenic University Club, our founders set a goal of establishing a Scholarship Fund to assist worthy Greek-American university students with financial need. The first scholarship was

awarded in 1939. Today, through persistent fundraising efforts, our Scholarship Fund has grown to the extent that we now give several grants.

Since our Scholarship Grant Program was formally established in 1971, the Hellenic University Club has provided scholarships for hundreds of full-time college and university undergraduate and graduate students of Greek descent. Moreover, the Club offers scholarships not only to those of Greek descent but also to others who dedicate themselves to the study of Greek philosophy and the classics.

We are seeking to expand our endowment to an even greater extent through appeals to members of our Club as well as friends and supporters so that we may increase the amount of each of our scholarships.

What inspires people to support the Hellenic University Club of Philadelphia and perpetuate its ideals? It's the investment in the lasting values of Hellenism and the desire to continue to live and be guided by these ideals so that future generations may contribute meaningfully to their communities.

The Hellenic University Club of Philadelphia Scholarship Program is worthy of your charitable gift. Can you think of a greater gift that we can bestow than the pursuit of *Paideia* and the ideals of Hellenism?

The desire to promote the welfare of others—especially through generous individual donations of money—is what the ancient Greeks called *φιλανθρωπία* (philanthropy).

We can think of no better way to show our humanity, our generosity—and yes, our *Brotherly Love*, than by providing a worthy student with a Hellenic University Club of Philadelphia scholarship. Please consider partnering with us.
