CAMP NEJEDA
AT THE HALL FAMILY CENTER FOR PEDiatric ENDOCRINOLOGY AND DIABETES
KRAVIS CHILDREN’S HOSPITAL
AT MOUNT SINAI

DAY CAMP FOR CHILDREN WITH TYPE 1 DIABETES

August 3 - 7

The Hall Family Center for Pediatric Endocrinology and Diabetes
Kravis Children’s Hospital at Mount Sinai
1468 Madison Avenue, Annenberg Building, New York, NY 10029

Kids with type 1 diabetes have been calling Camp Nejeda their “home away from home” since 1958, returning each summer for a fun camp experience and a chance to be “just kids.” Camp Nejeda’s Day Camp at the Hall Family Center for Pediatric Endocrinology and Diabetes at the Kravis Children’s Hospital at Mount Sinai brings the tradition of summer camp fun to New York City! Campers will enjoy outdoor sports, group games, arts and crafts, and field trips with experienced Nejeda counselors, while the familiar faces of Mount Sinai’s staff help to guide campers in learning daily diabetes management skills.

- For children ages 6 - 15 with type 1 diabetes.
  Limited space available
- Camp activities will take place in and near Central Park
- 8:30 - 9:00 drop off, 5:00 - 5:30 pick-up at Kravis Children’s Hospital at Mount Sinai
- Children bring their own lunch
- Nurse Practitioners and Pediatric Endocrine Fellow onsite: overall Staff/Counselor to Camper Ratio is 1:3

Kravis Children’s Hospital at Mount Sinai patients will receive a full scholarship. Contact Anna Aluf, NP, CDE, Specialty Coordinator, Nurse Practitioner at 212-241-6936 for more information.

For questions, registration, and pricing for campers who are not patients at Mount Sinai Hospital, visit campnejeda.org or call 973-383-2611 x224

Register by July 24th
