As we partner with Disciples congregations and parents, the Christian Church in TN strives to offer as many campers as possible the opportunity to attend the Camp and Conference programs per year. Therefore, it is the policy of CCT to provide scholarships up to one third of the total cost of the camp or retreat.

It is the policy of the Christian Church in TN to provide camp scholarships on a first come first serve basis. Scholarships are awarded the same for everyone without regard to race, color, national origin, age, gender, or physical ability.
