One Region One Book

March-June

What is One Region One Book?

It is a unique opportunity for congregations, bible studies, small groups and individuals to focus on one book together as a region.

From March through June, you are invited to join the Region in looking at Power Walk by Rev. Karren Todd!

Join others around the region in reading our featured title during the months of March through June!

Power Walk feels like the morning call you get from your "keep it real" girlfriend who won't let you accept life's defeats. It is a great friend to have when you need the push to jump start your day or even the next phase of your life. Power Walk is designed to speak to the places in our journey that slow us down or keep us stalled in our emotions or our thought process. As Believers, we continually ask God to order our steps, but God can't order our steps if we aren't moving! It's time to walk out of our past, walk through our process and walk into our purpose - and it's time to walk with POWER!

At the end of June, everyone will be invited to attend a Coffee & Conversation event with the author!

Do you know of a book? Do you have an author in your congregation? We would love to hear about it! Contact us at: (615)646-3705 or email: andrea@tndisciples.org
