ABOUT

ACTS LEADERSHIP COLLEGE

Acts Leadership College is a vibrant theology and leadership college with the heart to raise up leaders of all ages through biblically sound character-based training.

ALC was birthed in 2020 from Ps Steve Mazey's simple desire to train and equip leaders within the local church. What started out as a small class room of first year students has now become a flourishing college producing many anointed and gifted graduates, spread out over three campuses and three qualifications.

We partner with PlanetShakers College to produce world class content, in an environment of encounter and discipleship.

We offer three levels of government certified qualifications that we believe will lay a biblically sound foundation for any student that is interested in leadership, ministry, theology, or simply growing stronger in their faith.

In the following booklet you'll receive further information on our Diploma, Associate Degree and two Bachelor degrees that we offer here at ALC and hope to pave the way for your church to partner with us.

ALC is currently in its 4th year of running and has seen 35+ students complete their Diploma, 15 students complete their Associate Degree and 4 students complete their Bachelor alongside 22 current students well on their way to completing their college experience and qualifications.

We offer an internship program that is written into college curriculum to cater for the practical side of ministry and hope the structure that we have designed will be a blessing to your church.

In essence, we are a national bible college that partners with local churches to see people of all ages equipped with in-depth theology and leadership teaching.

WHY CHOOSE ALC?

We offer government certified qualifications
with local internship programs!

Why ALC? It's simple.

We are one of the only Bible Colleges in Australia that not only offers 3 government certified qualifications in Theology and Ministry, but we combine that with a structured internship program that allows you to intern within your local church.

What does this mean?

It means that you no longer have to travel interstate to receive a bible college experience. You can study AND intern in your local church, whilst we take care of the rest!

Our heart here at ALC isn't just to equip you with sound theology and leadership training.

Our heart is to equip the local church with a study and training program that will bless you and your community.

We offer clear pathways to study and intern within your or any established ALC location and aim to work one on one with each individual student to see the best possible outcome.

This means one of three things!

1. You, as a student, are welcome to travel to an established ALC location to study and intern, and return to serve within your church at the end of your college experience.
2. You can travel to an established ALC location to study and return to your church to intern and serve.
3. You can study AND intern within your local church, both on campus or online, no travel needed!

So what does this look like practically?

It looks like having one day a week allocated to lectures and tutorials and another day allocated to interning in a specific area of your church. Our Internship program includes 1:1 Mentoring sessions, serving within a team on Sunday and serving within all Acts Global Churches events.

CONFERENCES AND EVENTS

YA CONFERENCE

Acts Global Churches national YA Conference is held 2 days prior to our National Conference, and allows an opportunity for all ALC students to serve and gain practical ministry experience.

HISTORY MAKERS CONFERENCE

History Makers Conference is a Youth Conference held and hosted by Victory Church, Bendigo. HMC is overseen by Ps Mason and Jess Hudson, whose heart is to see young people encounter the presence and power of Jesus.
