

We had Jason Lyle Black perform at the Sandy Amphitheater in our free summer community series, and it was a phenomenal show. Jason is very talented and engaging. The audience ranged from families with young children to grandparents and senior members of the community, and they were all delighted.

Jason did a wonderful job marketing his show and the turn-out was one of the best I've seen for our "Free For All" series. The show itself was very well organized with guest artists and audience participation. The crowd was wowed and gave Jason a standing ovation at the end of the night.

We were thrilled to have Jason Lyle Black provide such a fun, meaningful, and musically powerful night for our community.
