

Apprentice - Competitive rates of pay + benefits

An exciting opportunity has arisen to complete an Apprenticeship Program in Hospitality/Professional Cookery within a popular and highly reputable pub/steakhouse in Ashbourne, Derbyshire.

You will be paid to go to college or learn on the job!

Your duties will include; food preparation, learning to cook to a high standard, maintaining kitchen hygiene and safety standards, 'waiting on' experience and learning about kitchen management, stock control and brand consistency.

Requirements

You must be a self-motivated individual with willingness to listen, learn and work hard.

You must have a genuine interest in the food/ hospitality industry.

Benefits

We are a privately owned, growing chain of restaurants therefore this opportunity would most suit an ambitious person who would like to progress within the chefing/ hospitality industry. There is a real opportunity to develop within our chain after your apprenticeship is complete.

Other individuals who have completed apprenticeships with us have gone on to be key members of permanent staff.

We are a great company to work for and provide the following benefits and more:

- Free food on shift for our kitchen team and heavily discounted fresh food on shift for our servers.
- FREE mobile phone insurance for all our employees
- Access to hundreds of discounts with some of UK's biggest retailers, Argos, Apple, River Island and more.
- Discounted cinema tickets.
- Up to 56% OFF days out to Alton Towers, Thorpe Park & more.
- Personal development plans & appraisals to take you to the next level.
- On-the-job training available and real, fantastic opportunities for progression in this growing local restaurant group.
- Friendly, motivated team of employees.
