Donations accepted throughout the year!

What is Donate a Ride?

Donate-a-Ride is a fundraising program designed to provide bus tickets for disadvantaged Edmontonians through selected crisis intervention agencies. Some seniors, aboriginal people, single parents and their dependants benefit from this program. Without transportation, these people often miss out on everything from work and educational opportunities to medical treatments and access to a variety of basic services.

Because opportunities don't always arrive at the doorstep...

All funds collected are used to purchase bus tickets from Edmonton Transit System. These tickets are then distributed to pre-selected Edmonton social service agencies, which in turn give them out to their clients.

United Way coordinates funds for the Donate-a-Ride campaign and will issue charitable receipts for donations over \$10.
