

The Park School

PROVISION MAP

Provision for all students at The Park

The Park provides high quality teaching which is differentiated and personalised for all students with learning and additional needs. The curriculum at The Park School motivates and engages students. Work is differentiated to match individual needs and teaching assistants support students throughout their lessons. The school provides a KS3 and KS4 programme that uses an adapted version of the National Curriculum which supports the development of key academic, learning and life skills.

Detailed information on our curriculum offer can be found on The Park School website - www.thepark.surrey.sch.uk

Further personalisation of learning

As part of student personalised learning we may also provide a wide range of interventions to support those who are making slower than expected progress in a particular area of learning or who need to have their learning extended as they are making faster than expected progress. This could include; additional literacy support by teaching assistants or English specialists or additional maths support within lesson.

Additional targeted and specialist support

We also provide additional targeted support for those students who need more specialist intervention to enable them to access the curriculum. This can include:

Speech, Language and Communication support

Social Communication sessions

Occupational Therapy

Physiotherapy

Educational Psychology input

Additional teaching assistant support

Additional music sessions in our music and digital media studio

Personal and medical care

Social communication support in unstructured time

Personalised learning programmes with support from a senior teacher
