

The Park School

Special Educational Needs (SEN) Policy

2013-14

The Park School received £10,000 grant. This was spent on additional Teaching Assistant support in daily reading groups and maths lessons.

Y7 made an average of 1.3 sublevel of progress in English. Good progress at The Park is 1 sub level progress per year.

Y7 made an average of 7.3 months progress in their reading. Good progress at The Park is 6 months progress per year.

Y7 made an average of 9 months progress in their number age. Good progress at The Park is 6 months progress per year.

The Park has a significant number of students who join in Y7 who are non-readers and start from a very low baseline.

2014-15

During this current year The Park School is expecting to receive £9,500 to support literacy and numeracy in Y7. It will continue to be spent on additional Teaching assistant support to provide the best possible opportunity for Y7 to make progress in their reading and number work.
