Make a Splash as a Blue Team!

**Teachers, Scout Leaders, Home-School Parents!**

**YOU** can create a youth-powered **Blue Team** to help care for one of our most precious natural resources – WATER!

**Blue Teams** carry out a water quality action project that promotes **sustainability** and **stewardship** in their community. This program is possible with generous funding from King County Flood Control District.

This program is available to students in **grades 3-12**!

**HOW TO REGISTER:** Fill out and fax or e-mail the registration form below. Questions - contact info@naturevision.org. Within one week of submitting your registration form, you will receive a phone call from a water specialist to talk about your idea, set dates and jump-start your project! Nature Vision is a non-profit Environmental Education organization in King County.

**WHAT IS A BLUE TEAM?**

A **Blue Team** is a group of students (a classroom, school club, or a neighborhood, home school, scout or camp group) who commit to taking on and completing a water stewardship project in their community. The students can create their own project or use one listed here.

**Blue Teams** receive **6 hours** or more of expert help from a Nature Vision Water Specialist- help in planning, preparing for, and executing their project. Blue Team participants also receive **recognition** upon completion of the project.

**BLUE TEAM PROJECTS**

- **Help restore** the area around a stream or wetland.
- **Replace landscaping** with native plants, or **research and remove** invasive plants.

Your class may also:
- **Create posters, brochures or a video** to teach others about pollution and what we can do to help.
- **Start a campaign** at your school and/or community to increase awareness.
