Program Registration

Use this form to register for up to 5 programs. For in-person programs, please coordinate dates and times with your teaching team to allow us to send one staff member to teach at least 2 programs at your school/site per day. For remote learning program Q&A sessions, please also plan for multiple classes per day when possible.

- Include all teacher first and last names, email addresses, and school contact information for in person and remote learning programs. This is needed for funders and our records.
- Please provide non-overlapping 45-60 minute time slots for each class receiving in person programs.
- For remote learning programs please provide 15 minute time slots for each class for a remote Q&A session with a Nature Vision Educator. You must choose a time for a Q&A session to register, but if your class cannot accommodate you may note that at the end of the form. You will still receive teacher materials and educator support from Nature Vision.
- If you would like to request a program be taught for your class in full over a video call, please check the Video Call Program box. These are 45-60 minutes in length.
- Limit 9-10 students for in person classes during phase 2 to allow for proper social distancing. We can schedule multiple sessions to accommodate your full group.
- If you are registering for a pond dip, aquatic insect dip, or field trip you must have an accessible pond on site or be able to meet us at a field site nearby.

Asterisks indicate a required field to register. Your form will not submit if all fields with asterisks are not completed.

Please add info@naturevision.org to your safe senders list.

Check here if registering for a Pre-recorded Video and Remote Activity Bundle with a 15 minute Q&A session.

☐

Check here if registering for a Pre-recorded Video and Remote Activity Bundle but your class cannot accommodate a 15 minute Q&A session. We will send materials and provide educator support only.

☐

Check here if registering for a Video Call Program, 45-60 minutes in length.

☐

Check here if registering for an In-person Program or Field Trip, 45-60 minutes in length.
