

Application Questions

SECTION 1: Introductory Information

1A. Applicant Contact Information

Project lead contact's first and last name

Organization

Email

Phone number

How did you find out about the Great Streets Challenge?

1B. Community Readiness

What type of project is your community ready for? We've included a self-assessment in the Application Guide to help you determine which Project Type your community is ready for. You will not be scored or evaluated based on your response to this question. Please circle one:

Pop-Up Project

Build Project

SECTION 2: Weighted Questions

2A. Project Area

10 points | 100-word maximum

Where will your project be located? Please include a map of your Project Area and at least one photo of your proposed Project Area.

2B. Priority Areas

20 points | 250-word maximum

Which Citywide plans and priority areas does your Project Area align with? We've created an interactive map to help you identify whether your Project Area aligns with these plans. You can find more information about this map in Appendix 3 of the Great Streets Challenge Guide. Map link: goo.gl/TeTekv

2C. Challenge Statement

10 points | 250-word maximum

What are the challenges and opportunities in your Project Area?

2D. Organizational Capacity

30 points | 500 Word Maximum

What are your qualifications to partner with the City to address these challenges and opportunities in your Project Area? Responses MUST include the following information: describe your experience specifically working in and near your Project Area with community members; describe one past successful experience partnering with City departments to implement community projects or programs; describe one past successful experience partnering with a City Council Office to implement community projects or programs.

Please also include the following information for at least three people in your project team:

- Name
- Title and Organization Affiliation
- Phone Number
- Email
- Time committed to project (in hours)
- Roles and responsibilities
- Resume/CV

2E. Outreach Strategy

25 points | 500 Word Maximum

How will you engage your community?

2F. Budget

5 points | 200 Words Maximum

How will you use your grant funds? Please include a .pdf or .xls spreadsheet of your proposed budget. You may also provide a 200 word description of any details related to your budget. This is not required.

SECTION 3: Supplemental Materials

Letters of support

Committed funding or donations

Committed in-kind donations
