

BUILDING PERMIT PROCESS

1. A Town building permit application must be completed and submitted to Town Office for the Town of Briarcliffe Acres. Town Building Permit Application may be obtained at Town Office or can be downloaded at www.townofbriarcliffe.us.
2. A review fee **must be paid by check or credit card with the application**. The fees are shown in table below entitled "**Permit Review Fees _ Town of Briarcliffe Acres**". **Credit card payment procedure is on permit application. No cash is accepted.**
3. The following must be submitted with a completed application
 - Provide dimensioned survey of the lot to be built on. Survey to show ground elevation at the building site. (Not required for remodeling or replacement)
 - **Furnish 2 complete sets of plans**, including plot plan showing dimensioned location of building and accessory structures from lot lines. (Not required for remodeling or replacement)
 - Swimming pools will require separate plans and fees for enclosures and proof of required fencing.

If the Town approves the application the customer should submit a Horry County Building Permit application, a copy of the town approval letter and any of the documentation and/or drawings required for permitting to Horry County Code Enforcement. A copy of the Horry County Building permit application may be obtained at 1301 2nd Ave. Conway, SC 29526 or by downloading at www.horrycounty.org/forms/code_enforce/Permit_Application.pdf or call 843.915.5090.

4. Horry County will also require fees be paid as follows:
 - A plan review fee of fifteen (.15) cents per square foot must be paid when plans are submitted for review.
 - If the plans can be approved, the building permit will cost thirty cents (.30) per square foot when the permit is issued.
 - The minimum fee is fifty dollars (\$50).
 - Plan revisions will cost a minimum of twenty-five dollars (\$25).

These fees should be verified prior to submittal by calling Horry County Code Enforcement at 843.915.5090.

5. If your structure will be located in a flood plain, a pre-construction elevation certificate will be required. Contact the Horry County Flood Plain Manager by calling 843.915.5090 with any questions.
6. If someone other than the homeowner is doing the construction, a SC residential contractor's license is required.
7. If the homeowner is listed as the contractor for construction of the home or addition, a Disclosure Form (recording documentation that the home was built by someone other than a licensed builder) must be completed and recorded with the Register of Deeds Office prior to issuance of the building permit. A Disclosure Form may be picked up at the Horry Code Enforcement Department.
8. If anyone other than the homeowner or contractor is picking up the permit, a notarized letter from the homeowner or contractor allowing you to obtain the permit is required.

SPECIFIC PERMITTING REQUIREMENTS

Single Family Residence

Any single family residence, regardless of size, as well as any associated structures exceeding 400 square feet will require two (2) sets of engineering design plans in accordance with the International Residential Code with original seal(s) (copies of plans are not acceptable). The plans shall include elevations, floor plan, foundation, and roof detail. Truss or stick built roofs will require details to be submitted with load and uplift location indicated on the plans for all types of foundations.

- Any plans showing a fixed staircase must include a floor plan showing square footage of the upper level.
- All 2nd story and open decks 6' above adjacent grade must be engineered.
- For new construction, or addition, in excess of 1,000 square feet on any lot adjacent to a town lake, a vegetated buffer must be created or maintained for at least ten feet to the water's edge.

400 sq. ft. or Less Buildings

Construction drawings **are not** required to be engineered if your structure is 400 sq. ft. or less unless it is a single-family residence or in a VE Flood Zone. However, you will need to follow general requirements. **If structure is in a VE Zone, contact Horry County Flood Plain Manager for specific requirements.**

A site plan is not required for repairs and interior remodeling.
