### **MEETING HIGHLIGHTS**

The **Agenda** and **Slide Presentation** can be found at *PlanElCaminoReal.inSunnyvale.com*.

All attendees of the informational meeting introduced themselves. Thang Do presented the AIA Santa Clara Valley Chapter's Architecture 101 slide presentation. The presentation provided a general overview of architectural and community design terms and concepts.

A Q&A session and a discussion were held after the presentation. Attendees discussed how certain design techniques and concepts may or may not apply in the context of Sunnyvale's El Camino Real Corridor. No recommendations or decisions about the Sunnyvale el Camino Real Corridor Plan (ECR Plan) project were made. Staff clarified the planning process for the development of the ECR Plan and explained the next steps.
