

# TOURISM & EDUCATION PROGRAM

**ONLY FARM IN ONTARIO TO BE SPCA  
CERTIFIED!!!**

# Experience the Harley Farms Difference!!

- ◆ Come and experience for yourself what sets Harley Farms apart. We are the first SPCA Animal Welfare Certified farm in Ontario. Our farming system was founded with the belief that our animals should have the best life, raised as humanely and naturally as possible. As a result, our farm animals are kept together in family groups for most of their lives, reducing stress levels and supporting their overall health.
- ◆ Sign up for a professional tour which includes a “behind the scenes” look to understand animal welfare and how happy and healthy our animals live in their natural environment.

# What's Involved in our Farm Tour?

- ◆ Join us for a guided tour of our farms which includes visiting pigs, sheep, cattle and chickens. Our guide will give you an overview of the farms, the importance of animal welfare and how our livestock thrive in a natural environment. Of course, your guide will be pleased to answer all questions.

# Expand your Natural Farming Knowledge!

- ◆ Our educational program is tailored for all ages from the youngest to seniors. We know you will have lasting memories about our animals, healthy living and why animal welfare is our #1 priority at Harley Farms.

## Customized Educational Programs!

Depending on the groups age, education level or interests at Harley Farms we can develop an exciting informative and educational program at our farm or your facility. The session will include hands on and interactive experiences with our ani

# WHERE DIFFERENT IS GOOD

- ◆ “As more Canadians become concerned about exactly where their food comes from and how it was raised, natural farming will become more important. In the fall of 2014, Harley Farms became the first farm in Ontario to be certified.”
