EDUCATION

THE ART INSTITUTE OF SEATTLE

2009 - 2014

Bachelor of Fine Arts, Graphic Design

EXPERIENCE

Forrest-Pruzan Creative (Contract Graphic Designer)

I work within the Adobe Creative Suite daily using Photoshop, InDesign, and Illustrator to help refine game prototypes.

This includes illustrating game components, generating layouts, designing iconography, and creating print ready files. I am also tasked with the crafting of game prototypes for play testing and presenting to clients.

Pacific Publishing (Production Artist)

Sep 2014 - Present

I am currently responsible for the layout of PPC's major publications which include Capitol Hill Times, City Living, Madison Park Times, Queen Anne & Magnolia News. I also design ads to fit the needs of PPC's clients. I am also working with the prepress department preparing print ready files and printing plates for the production of Pacific Publishing's publications.

Fort Nisqually (Graphic Design Intern)

Apr 2013 - Nov 2013

Redesigned the Fort Nisqually Foundation's professional publication Occurrences and other layout designs. Acted as photographer for Occurrences and special events.

VANFEST (Photographer)

Aug 2013 - Sep 2014

Volunteered as a VanFest Photographer. VanFest is a local music festival that takes place in Maple Valley, WA and features 3 stages, an acoustic tent, and plenty of great bands from the Seattle area. VanFest also benefits non-profit organizations such as The Alliance of Eating Disorders Awareness.

SFR-inc. (Seattle Representative)

Aug 2013 - Aug 2014

Organized events and performed game demos for SFR's collectible dice game Dragon Dice around the Seattle area, including the PAX Prime gaming convention.

Olympic Embroidery

Aug 2009 - Nov 2009

Garment printing, screenprinting, product management, print production, and shipping.
