New York FFA’s Guide to Obtaining Tax Exemption
Tax Exempt Information
Updated: May 2018

Local and State FFA and FFA Alumni and Supporters chapters are considered for Internal Revenue Service exemption purposes as a subordinate to the National FFA Organization, which at time of non-profit exemption approval in 1976 was the Future Farmers of America State Associations & Local Chapters.

INTERNAL REVENUE TAX NUMBER
The central organization, according to the Internal Revenue Service, is the National FFA Organization. The National FFA has been designated a group exemption number (GEN) by the Internal Revenue Service (IRS). All subordinates of the National FFA, which include all chartered and active local and state FFA and FFA Alumni and supporters chapters and associations, must use this GEN number to verify tax exempt status on all reports to the IRS. Local and state FFA and FFA Alumni and supporters chapters and associations must file for their own employer identification number (EIN) which is required when filing the IRS Form 990/990-N. The EIN is also required when bank accounts are opened or other investments are established that generate interest or dividends for the local or state FFA and FFA Alumni and supporters chapters and associations. For additional information or directions on how to obtain an EIN, please reference the Obtaining Tax-Exempt Status document on FFA.org.

National FFA contacts the IRS to link local and state FFA and FFA Alumni and supporters chapters and associations to our GEN. This automatically defaults their fiscal year to match National FFA’s, which is January 1-December 31. If a different fiscal year is required, they must complete IRS form 1128 and submit it directly to the IRS.

The IRS sends the National FFA Organization a list of all chapters and associations using the National FFA’s group exemption number for their EIN on an annual basis. National FFA is required to verify this list for the IRS and add/delete FFA chapters and associations as necessary. If a chapter becomes inactive with their state association, they will be in violation if they use the GEN for non-profit status.

WHO MUST FILE FORM 990/990-N?
All subordinates of the National FFA Organization that are part of the National FFA Organizations GEN must file a Form 990 or Form 990-N with the Internal Revenue Service every year. Subordinates should define gross receipts to mean the total amount received from all sources (including membership dues and all fund raising activities) during its annual accounting period, without subtracting any costs or expenses. Note that if the gross income of your chapter or association is normally not more than $50,000 you are only required to complete the Form 990-N. When gross income is (over the period of two or more years) normally greater than $50,000 a year, the chapter or association must complete the entire Form 990 or 990-EZ. All subordinates must submit either the Form 990-N or the Form 990 to maintain their nonprofit status. For more information about the 990, 990-EZ and 990-N, visit www.irs.gov/charities.
SIMPLE AND STRAIGHTFORWARD
The 990-N e-postcard is a simple, Internet-based form that asks a few indemnifying questions about your organization. You can only file the e-Postcard online – there is no paper form. All you need is access to a computer and an e-mail address. No special software is necessary, and there is no cost to file an e-Postcard. It is free!

To file the e-Postcard, go to www.irs.gov/eo click on “Annual Electronic Filing Requirements for Small Exempt Organizations – Form 990-N (e-Postcard),” where you will find a link to the e-Postcard filing system. You will file the e-Postcard through the Web site of the IRS’s trusted partner, the Urban Institute.

If you choose to, you can file a Form 990 or Form 990-EZ instead of the e-Postcard, but it must be a complete return. An incomplete or partially completed Form 990 or Form 990-EZ will not satisfy you annual filing requirement. In addition, you may be assessed a late filing penalty if you file Form 990 or Form 990-EZ late. There is no late filing penalty associated with the e-Postcard. However, if you fail to file your e-Postcard (or an information return) for three consecutive tax years, your organization will lose its tax-exempt status.

STATE INCOME AND SALES TAXES
The Group Exemption GEN only gives tax exemption from federal income taxes. It does not apply to state income taxes or sales taxes, as these are governed by a particular state.

If you have not already requested to be added to the National FFA’s group exemption, National FFA can help you with that. To be part of National FFA’s group exemption, your chapter/association will need to obtain a federal ID number known as an EIN (Employee Identification Number) from the IRS.

In order to be sales tax exempt at the state level, all local and state FFA and FFA Alumni and supporters chapters and associations will have to contact the state agency that manages sales taxes. This is the State Department of Revenue in some states; it may be a different agency in your state. The agency should have a form for chapters/associations to use to request exemption from sales tax and they can indicate that the chapter/association is exempt from federal income taxes under the National FFA’s GEN and include that information with the application. That may be enough to get the exemption.

Has your chapter/association applied for income tax exemption in your state? If not, you may need to do so in order to be eligible for sales tax exemption. It really depends on your state’s requirements.

WHERE TO GO FOR HELP
Please visit the IRS Web site at www.irs.gov/charities for the new Form 990 and instructions, as well as other helpful materials at www.stayexempt.org. For specific tax or accounting questions, please consult your local tax advisor/accountant. You can also visit www.irs.gov.

Steps to Obtaining a New York State Exempt Organization Certificate:

1. **Obtain own Employer Identification Number – Complete SS-4 Form (2-3 weeks)**
   First, your chapter must obtain a Federal Employer Identification Number from the Internal Revenue Service by completing the SS-4. Every local FFA Chapter must have their own EIN number, even though you do not have employees.

   These numbers are used by the federal and state governments to document tax accounts. This number signifies that you “do business” and this is the number that New York will use for acknowledging you operate as a business.

   It is also the only way that your chapter will become recognized as a member of the National FFA Organization, which is a 501(c)3 not-for-profit organization. The National FFA will report your chapter to the IRS as an affiliate “officially” only when you have an EIN and you ask them to in writing.

**FILLING OUT THE SS-4:**

Line 1: Your Chapter’s name as it is reported by the National FFA
Line 2: Your Chapter’s mailing address as it is reported by the National FFA
Line 3: Your Name
Line 4a & b: Your Chapter’s mailing address
Line 7: Your Chapter’s mailing address county
Line 7a: Your Name
Line 7b: 54-0524844 (National FFA’s Tax ID Number)
Line 8a: Check “No”
Line 9a: Check “Other nonprofit organization” and then type in education. Then, use National FFA’s Group Exemption number (GEN) on line 9a - 0776.
Line 10: Check Other (Write in “requirement for NYS Tax Exempt Organization”)
Line 11: Date your chapter was chartered – use original charter date

Line 13: -0- (for each section)
Line 14: Yes
Line 15: N/A
Line 16: Other (write in Educational Support)
Line 17: N/A
Line 18: No

Then sign and date the form and make a copy for your records.

¹ For example, a sole proprietorship or self-employed farmer who establishes a qualified retirement plan, or is required to file excise, employment, alcohol, tobacco, or firearms returns, must have an EIN. A partnership, corporation, REMIC (real estate mortgage investment conduit), nonprofit organization (church, club, etc.), or farmers' cooperative must use an EIN for any tax-related purpose even if the entity does not have employees.

² However, do not apply for a new EIN if the existing entity only (a) changed its business name, (b) elected on Form 8832 to change the way it is taxed (or is covered by the default rules), or (c) terminated its partnership status because at least 50% of the total interests in partnership capital and profits were sold or exchanged within a 12-month period. The EIN of the terminated partnership should continue to be used. See Regulations section 301.6109-1(d)(2)(i).

³ Do not use the EIN of the prior business unless you became the "owner" of a corporation by acquiring its stock.

⁴ However, grantor trusts that do not file using Optional Method 1 and IRA trusts that are required to file Form 990-T, Exempt Organization Business Income Tax Return, must have an EIN. For more information on grantor trusts, see the Instructions for Form 1041.

⁵ A plan administrator is the person or group of persons specified as the administrator by the instrument under which the plan is operated.

⁶ Entities applying to be a Qualified Intermediary (QI) need a QI-EIN even if they already have an EIN. See Rev. Proc. 2000–12.

⁷ See also Household employer on page 4 of the instructions. Note: State or local agencies may need an EIN for other reasons, for example, hired employees.

⁸ See Disregarded entities on page 4 of the instructions for details on completing Form SS–4 for an LLC.

⁹ An existing corporation that is electing or revoking S corporation status should use its previously-assigned EIN.
2. **Once you receive your EIN, you must obtain a copy of the National FFA’s tax documentation (3-4 weeks)**

IF YOU WRITE, ATTACH THE STUB OF THIS NOTICE.

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 000596. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear-off stub and return it to us.

When you submitted your application for an EIN, you checked the box indicating you are a non-profit organization. Assigning an EIN does not grant tax-exempt status to non-profit organizations. Publication 557, Tax-Exempt Status for Your Organization, has details on the application process, as well as information on returns you may need to file. To apply for recognition of tax-exempt status under Internal Revenue Code Section 501(c)(3), organizations must complete a Form 1023-series application for recognition. All other entities should file Form 1024 if they want to request recognition under Section 501(a).

Nearly all organizations claiming tax-exempt status must file a Form 990-series annual information return (Form 990, 990-EZ, or 990-PF) or notice (Form 990-N) beginning with the year they legally form, even if they have not yet applied for or received recognition of tax-exempt status.

Unless a filing exception applies to you (search www.irs.gov for Annual Exempt Organization Return: Who Must File), you will lose your tax-exempt status if you fail to file a required return or notice for three consecutive years. We start calculating this three-year period from the tax year we assigned the EIN to you. If that first tax year isn't a full twelve months, you're still responsible for submitting a return for that year. If you didn't legally form in the same tax year in which you obtained your EIN, contact us at the phone number or address listed at the top of this letter.
For the most current information on your filing requirements and other important information, visit www.irs.gov/charities.

IMPORTANT REMINDERS:

* Keep a copy of this notice in your permanent records. This notice is issued only once and IRS will not be able to generate a duplicate copy for you. You may give a copy of this document to anyone asking for proof of your EIN.

* Use this EIN and your name exactly as they appear at the top of this notice on all your federal tax forms.

* Refer to this EIN on your tax-related correspondence and documents.

* Provide future officers of your organization with a copy of this notice.

Your name control associated with this EIN is GOUV. You will need to provide this information, along with your EIN, if you file your returns electronically.

If you have questions about your EIN, you can contact us at the phone number or address listed at the top of this notice. If you write, please tear off the stub at the bottom of this notice and include it with your letter. Thank you for your cooperation.
3. Complete NYS Form S.119.2 – Application for an Exempt Organization Certificate (2-3 Weeks)

Application for an Exempt Organization Certificate

Read these instructions carefully and complete all applicable sections on the form. We cannot process an incomplete application.

Note: In addition to applying for an Exempt Organization Certificate to make exempt purchases, if your organization makes sales through a store or a restaurant, or other similar establishment, it must register for sales tax purposes and collect and remit sales tax. Also, your organization must register for sales tax purposes and collect and remit sales tax if it makes any of the following sales, whether or not made from a store or store:

- any lease or rental of tangible personal property;
- any utility service described in Tax Law section 1105(b);
- any service to real property described in Tax Law section 1105(c)(5); and
- any tangible personal property where the sale is made by remote means, such as by telephone, mail order (including email), over the Internet, or by other similar methods, provided the sales are made with a degree of regularity, frequency, and continuity.

Also, if the organization sells parking services or operates a hotel or makes amusement charges, it must register for sales tax purposes and collect and remit tax.

To register for sales tax purposes, visit the New York Business Express at www.businessexpress.ny.gov to obtain a Certificate of Authority.

Who should file this form
An organization described in Tax Law section 1116(a)(4), 1116(a)(5), 1116(a)(7), 1116(a)(8), or 1116(a)(9), should file Form ST-119.2 to apply for an Exempt Organization Certificate. If the Tax Department issues you an Exempt Organization Certificate, you may make tax-exempt purchases.

Agencies of the United States and of New York State and its political subdivisions should not use this form. They may make tax-free purchases by presenting vendors with governmental purchase orders.

Units of the Boy Scouts of America and the Girl Scouts of the USA should contact their local councils for the procedures they must follow to establish sales tax exemption.

New York State Tax Law does not provide sales tax exemptions to other states or their political subdivisions.

Line 1a – Mark an X in the box on line 1a and any applicable additional boxes to indicate the purpose for which you are claiming exempt status if you are applying under Tax Law section 1116(a)(4), in addition to being organized for one or more of the listed activities, you must meet the following requirements:

- No part of the organization’s net income can benefit private shareholders or individuals.
- The organization cannot, as a substantial part of its activities, attempt to influence legislation. (If you have established federal exemption under Internal Revenue Code (IRC) section 501(c)(3), that section will govern the extent of legislative activities permissible. If not, the Tax Department will make the determination.)
- The organization cannot participate, directly or indirectly, in political campaigns for or against candidates for public office.
- The organization’s assets must be dedicated to its exempt purposes. If it is dissolved or terminated, the assets must be distributed to further one or more exempt purposes or to a federal, state, or local government for a public purpose.

Line 1b – Mark an X in the box and indicate the percentages of each type of member if you are applying under Tax Law section 1116(a)(6). At least 75% of the organization’s membership must fall within the first category listed. In addition, you must be organized in New York State, and no part of the organization’s earnings can benefit private shareholders or individuals.

Auxiliary units, societies of, or trusts or foundations for posts or organizations may also qualify as exempt organizations if they show that they were created by and are affiliated with an organization already exempted by the Tax Department. Attach a copy of the federal determination letter confirming your IRC section 501(c)(19) exemption.

Line 1e – Mark an X in the box and attach a copy of your federal or New York State charter if you are applying under Tax Law section 1116(a)(9). Note: Effective March 1, 2008, all state-chartered credit unions, as defined by New York State Banking Law section 2(9), will be exempt from sales tax, regardless of when they were chartered. (For more information regarding credit unions designated as exempt organizations, see TSS-M-D-6(4)(S), Credit Unions Designated as Exempt Organizations for Sales and Use Tax Purposes.)

Lines 3 through 6 – Answer the questions on lines 3 through 6 by marking an X in the applicable boxes. Answering Yes to a question will not necessarily disqualify you, but you must attach an explanation.

Line 7 – If you answer Yes, attach an explanation of how you meet the criteria of a qualified amateur sports organization as defined in Tax Law section 1116(f).

Line 8 – Mark an X in the Yes box and attach a copy of the federal determination letter confirming your IRC section 501(c)(3) exemption if your organization has been granted exemption in its own name under IRC section 501(c)(3). No other documentation is needed; however, we reserve the right to request any additional information necessary to make our determination.
Line 9 – Mark an X in the Yes box if you are a subunit of an organization that has a group IRC section 501(c)(3) exemption. Attach a copy of the federal determination letter confirming your 501(c)(3) exemption and one of the following:

- a current letter from the "parent" organization certifying that the subunit is a member of the organization and is included under the federal 501(c)(3) exemption, or
- a copy of the "parent" organization’s directory of subunits that lists this subunit as one of those covered by the federal exemption.

If your organization has been granted federal exemption under some other IRC section, attach a copy of the federal determination letter confirming your exemption. All attachments are required.

If there is a discrepancy between the name and address as it appears on the federal determination letter and on this application, please explain.

Line 10 – To qualify for exempt status, you must be formally organized to conduct exempt activities and you must have organizing documents specifying the activities. Mark an X in the appropriate box to indicate your type of organization and attach copies of the required organizing documents including any amendments to them (if you are attaching a copy of the federal determination letter confirming your IRC section 501(c)(3) exemption, you need not attach the organizing documents). Note that these documents cannot be returned.

RE: Verification of Tax Exempt Status and Inclusion in the National FFA Organization's Group Exemption GEN # 0776 for Gouverneur FFA

Dear Mary-Elizabeth Foote,

Please consider this letter as verification that Gouverneur FFA is included in the National FFA Organization’s Group Exemption #0776 (GEN), which allows them to be recognized as tax-exempt from federal income tax under section 501(c)(3) of the Internal Revenue Service code. A copy of our original IRS determination letter regarding GEN status is attached. Gouverneur FFA is responsible for filing the appropriate Form 990 annually to maintain this federal tax exemption.

Gouverneur FFA will remain part of National FFA Organization’s Group Exemption #0776 (GEN) until a request has been made to be removed, or until the group’s status has become inactive with National FFA Organization. I have also added your EIN # to your chapter profile on FFA.org for your records.

Gouverneur FFA must comply with any school, school district and/or state requirements.

This exemption is for federal purposes only. The National FFA Organization cannot provide exemption from state taxes of any kind.

Sincerely,

4. Receiving of Tax Exempt Documentation and Number

After New York State receives your S.119.2 as well as the documents from National FFA, you should receive your Exempt Organization Certificate (ST-119) in the mail. You will always maintain your ST-119. The ST-119.2, Exempt Organization Certificate, will contain your six-digit New York State sales tax exemption number. Remember! Your nine-digit federal employer identification number issued by the Internal Revenue Service is NOT a sales tax exemption number. You'll also receive Form ST-119.1, Exempt Purchase Certificate – this is the form that you will use to make purchases and will need to make copies of.
5. **You most likely will receive a Form 990 from Previous Years and Will Annually:**
   Any affiliate receiving a Form 990 must return it to the IRS. If the gross income of your chapter is normally not more than $25,000 you are required to only answer the questions at the top of the form. When the gross income is more than $25,000, you must complete the entire form – or a 990-EZ.
