

Dear Primary Campers...The Right Kind of Light!

In this month's memory verse Jesus talks about us being a light for the whole world!

*Have an adult grab a candle and a sparkler for this lesson!

Sometimes we need light to help us see, as followers of Christ we want to be the light of Jesus!

Now light the candle, see how steady it burns? It's pretty easy to see by this light!

Now light the sparkler, it's pretty bright isn't it? But look how fast it goes out! Even though it starts out bright it goes out pretty fast and can't be relit.

Which of these lights should we be? A candle, or a sparkler? Think about it!

You are the light
of the world

DEAR TREETOPPERS

RESOLVE... LUKE 18:18-27 WHAT'S YOUR NUMBER 1?

In Luke 18:18-27 we see Jesus talking to a rich young man about giving up his riches. We can see in this passage that wealth is something that stops this man from following Jesus.

When it comes to salvation Jesus doesn't give us a laundry list, but in order to follow him we want to hold onto the right things and avoid latching onto things like wealth.

This month's challenge with New Year's is to pick one thing you want to do or let go of to help you grow in a relationship with Jesus!

Create a number out of any material you want and write on it what your New Year's resolution is. Be sure to tell us for our monthly giveaway!

DEAR LAKESIDE CAMPERS!

RESOLUTIONS...STAYING STRONG

Have you ever tried holding out your arm before? Initially it's pretty easy, almost boring. Over time though it can become quite difficult, almost painful to keep up!

The same can be said when it comes to our resolve in pursuing Christ.

Things like praying and reading the Bible can often be easy to start with, but after awhile if we get busy or tired it can be difficult to keep up!

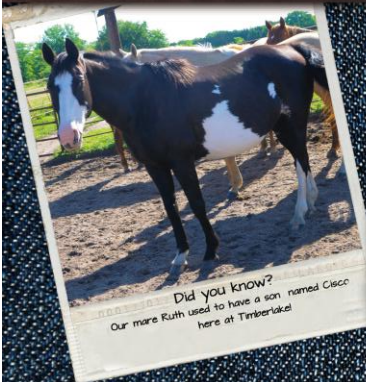

With the New Year here everyone is talking about New Year's Resolutions, but often we give up on those 2 or 3 months in.

Your challenge is to pick one thing you want to work on this year with God and write it on your calendar every month! Find verses that tie in with it and have fun!

We'll ask how it went in a few months! ;)

Don't forget to tell us your resolution on our monthly giveaway!

DEAR HORSEMANSHIP CAMPERS

Did you know?
Our mare Ruth used to have a son named Cicc
here at Timberlake!

REMEMBER WHEN?

Do you remember getting up early at camp and grooming your horse?

Part of grooming was brushing our horse's mane and tail! If we didn't brush it, it'd get more matted!

Many people skip this part because it can take awhile, but the longer we ignore it the worse it can get!

GROOMING

Some things like Praying and the Bible can seem tedious, but the longer we ignore those things the harder it can be to follow Him!

This New Year make a resolution with God and write it somewhere you'll see everyday, like your own hairbrush maybe! Tell us on our monthly Giveaway!
