How to pay for your Property Taxes on-line with MeadeGeo

1. Logon to MeadeGeo GIS Website through the "Public Link"

2. Click on the "Search Tool" Commanda , click the arrow and on the dropdown menu

Sec/Twp/Rng select PIN and type in your Parcel ID or Property ID Number. This will bring you to the land you own.

Option 2- If you don't know your Parcel ID Number (PIN) you can click on the "Zoom In" tool and zoom into your property. If you use the "Zoom In" tool, once you find your

property you will need to click on the "Identify Tool" Identify and then click on the arrow

Select One

✐⊽

and on the dropdown menu click on Select Many "Select One", and then click on your property.

	Identify	(established)			
	Select One	Select by Line	Select by Polygon	Select Many	
1	Search Map/Lay Parcels	er T			
	Selection Type				
This screen pops up					and your cursor
looks like	then just	click on you	ur property	/.	

If you enter your PIN or you use the "Zoom In" tool, you will come to this window

Single Feature		8
Available Reports		
Parcel Report	Go	
Zoom to Feature		
Feature Information		
Name	Value	
OBJECTID	6464
