

How to pay for your Property Taxes on-line with MeadeGeo

1. Logon to MeadeGeo GIS Website through the “Public Link”

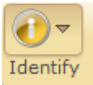

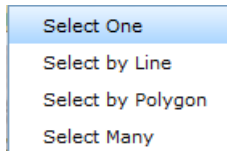

2. Click on the “Search Tool” , click the arrow and on the dropdown menu

select PIN and type in your Parcel ID or Property ID Number. This will bring you to the land you own.

Option 2- If you don't know your Parcel ID Number (PIN) you can click on the “Zoom In” tool and zoom into your property. If you use the “Zoom In” tool, once you find your

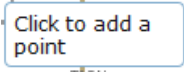

property you will need to click on the “Identify Tool”  and then click on the arrow

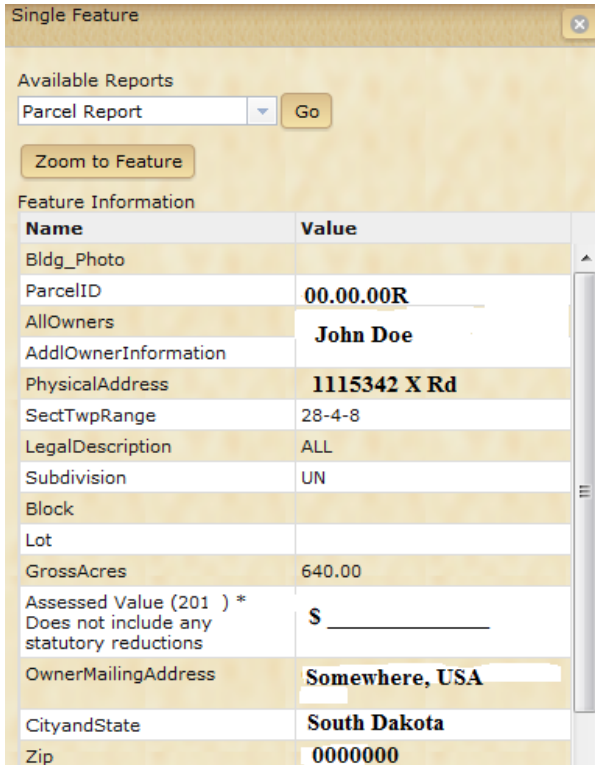

and on the dropdown menu click on “Select One”, and then click on your property.

This screen pops up and your cursor

looks like  then just click on your property.

If you enter your PIN or you use the “Zoom In” tool, you will come to this window
