The Rapid City Metropolitan Planning Organization (RCMPO) and Meade County will hold a public information meeting / open house to receive public input on the Southern Meade County East-West Connector Corridor Study. The open house will be informal allowing for one on one discussion with the study team. The purpose of the meeting is to introduce the goals of the study to the public and start gathering feedback in how the community sees growth taking shape in Meade County and the northern part of Rapid City. This will be the first of three public meetings scheduled for this study.

A brief presentation will take place at 5:15 p.m. MPO, Meade County, and consultant staff will be available after the presentation to discuss the study and answer your questions. During this time, you will also have the opportunity to present written comments.

The project website, www.southernmeadecountycorridorstudy.com, will be updated with the meeting materials presented at the public meeting no later than March 8th, 2019.

Rapid City Area Metropolitan Planning Organization fully subscribes to the provisions of the American with Disabilities Act. If you are in need of special accommodations, please notify the Community Planning & Development Services Department at (605) 394-4120 so that appropriate auxiliary aids and services are available. Please request the accommodations no later than 2 business days prior to the meeting in order to ensure accommodations are available.

For further information regarding this meeting, contact Kelly Brennan, with the RCMPO, at (605) 394-4120 or Stacia Slowey, Project Engineer with HDR Engineering at (605) 791-6109.
