APPLICATION FOR TEMPORARY CAMPGROUND PERMIT
MEADE COUNTY ORDINANCE 21

Application for any temporary campground shall be submitted in writing to the Meade County Equalization and Planning Office at least 90 days prior to campground operation. A separate permit shall be required for each non-contiguous location. Temporary campground permits shall be obtained for each 14-day period. Notification of application will be heard at a public hearing before the Meade County Commission no less than 60 days prior to the first day of campground operation.

Name of campground: ____________________________________________

Physical address: ________________________________________________

Mailing address: _________________________________________________

Campground manager: ____________________________________________

Property owner: _________________________________________________

Manager phone numbers: __________________________________________

Manager email address: ____________________________________________

• If the owners/managers are not one of the same, a notarized statement must be attached with agreement shown between the two parties for use of the property as a campground, and the specific dates.

• Copy of the deed reflecting current ownership must accompany this application. It can be obtained at the Meade County Register of Deeds Office.

• An aerial photo/sketch plan must be attached showing all amenities: bathrooms, showers, drinking water outlets, light poles, fire protection devices, stage areas, concession areas, vendors, roads, etc, including all entrances and exits.

Purpose of the temporary campground: ________________________________

Dates of operation, not to exceed 14 consecutive days: ________________

Check the maximum number of campsites to be allowed on the premises:
