

STEAM STUDIO

Done with boring field trips? Join us instead for a STEAM Excursion!

www.steam-studio.com

STEAM Activities based on connection to classroom curriculum and real world application of Design Thinking. Students are actively engaged in hands-on, meaningful activities the entire time including extra STEAM Coaches (educators) for small group learning.

It's simple!

Just email Lakeya Paden, our STEAM Studio Coordinator today!

- ❖ 2 hours- 2 different activities - \$200 for up to 25 students.
- ❖ Longer visits/more students can be arranged upon request.
- ❖ Transportation provided for an extra cost. Coach bus holds 25 with seatbelts.

1. Teachers fill out a brief pre- visit survey so we can differentiate for your class.
2. Dr. Mandi Sonnenberg follows up with the activity summaries and Lakeya will confirm excursion and payment arrangements.
3. We can't wait to partner with you and engage your students with fun, failure, frustration and freedom to be creative!
All important ingredients for successful life-long learners.
