

STEAM STUDIO

It's **YOUR** space, do **YOUR** thing.
Fun and innovative—we've got the software, hardware,
resources, and technology you need. Plus, we have
volunteers to help you get where you want to go.

ELEMENTARY ENTREPRENEURS (1st - 4th Graders)

Choose your passion and create something worth sharing! Games, Fashion Design, Robotics, Experiments, Interior Spaces...
Any innovative idea you can come up with!
