

REDUCED MOISTURE · FIRE ROASTED · READY TO EAT RED GRANO ONIONS

The High-Performance Vegetables That Put You in Control

Description

Reduced Moisture Red Onions are prepared from onion that are specifically grown for a mild sweet flavor characteristic. The onions are peeled, rooted and topped, washed, and cut to various dice sizes and strips. The onions are gently dehydrated to remove approximately half the moisture and passed through our proprietary micro control step then Individually Quick Frozen to preserve a fresh natural flavor, texture and color.

Shelf Life

36 months when stored at 0° F or below, packed in an original unopened container, starting from the date of production.

Recommended Storage

For proper storage, containers should be stored unopened at a maximum 0° F (-18° C) or lower.
