

**DATE: 01/22/2016**

## White Oak Frozen Foods

### PRODUCT LOT CODING

- The lot code consists of six digits with separation in- between the first two digits and the last three digits. Ex 15-010
- The first two digits indicate the year of packaging, 15 is equal to 2015
- The final three digits represent the day of the year as represented in the Julian Date Calendar. The day code 010 is equal to January 10, the tenth day of the year.
- The Lot Code of 15-010 represents January 10, 2015

The Lot Code assigned to production represents one day of production. The Lot Code changes with each new day of production.
