Federal FDA Bioterrorism Preparedness

This is to confirm all products manufactured by White Oak Frozen Foods are processed in full compliance with the U.S. Food and Drug Administration's 21 CFR Part 1, Subpart H (21 CFR 1.225 – 1.243) and section 415 of the FD & C Act. White Oak Frozen Foods conforms to additions and amendments of the Bioterrorism Preparedness and Response act of 2002 and FDA Food Safety Modernization Act of 2011.

White Oak Frozen Foods has registered with the FDA as a facility manufacturing, processing, packing and warehousing food for consumption within the United States. WOFF maintains the FDA registration and renews the registration every other year.

The FDA registration number is not distributed and is available for verification on customer visits or audits.
