## SDS Labeling

White Oak Frozen Foods is in full compliance with the Occupational Safety and Health standards that govern the classification of chemical hazards that are produced or imported by providing information on such hazards, 29 CFR 1910, 1200.

As stated within Occupational Safety and Health Standards, 1910.1200(4) (iii). The following are not required to be labeled within the Hazard Communication Standard.

Any food, food additive, color additive, drug, cosmetic, or medical or veterinary device or product, including materials intended for use as ingredients in such products (e.g. flavors and fragrances), as such terms are defined in the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 301 *et seq.*) or the Virus-Serum-Toxin Act of 1913 (21 U.S.C. 151 *et seq.*), and regulations issued under those Acts, when they are subject to the labeling requirements under those Acts by either the Food and Drug Administration or the Department of Agriculture.

White Oak Frozen Foods Ready to Eat Reduced Moisture Vegetables and Fruits labeling and reporting is in conformance with regulations set forth within the FDA 21 (U.S.C. 301 *et seq.*)
