STYLIST JULIO ANGEL OPENS NEW 'SALON EXPERIENCE' IN LITTLE FALLS

LITTLE FALLS, NJ (November 17, 2010) – Julio Angel wanted to open a hair salon with a twist: offer clientele a spa-like experience, an oasis of calm away from everyday stressors, while caring for their hair. And that's what he's done.

Just a month old, the new Julio Angel Hair Studio is located in the picturesque town of Little Falls, NJ providing men and women an inviting place to unwind while expert stylist, Julio Angel and staff take care of all their styling, coloring and hair-care needs.

“It's been a dream of mine to open my own salon providing the expertise you'd find in an NYC salon, without the commute and at an affordable price,” says Angel.

A graduate of the Learning Institute for Beauty Sciences in NYC, Angel took his degree and natural talents and learned from the best: He worked in a prestigious Madison Avenue salon for seven years, collaborating with top stylists, models and actors. Along the way he participated in NYC Fashion Week, working with well-known designers Issey Miyake, Thierry Mugler and Zang Toi, among others. Now in New Jersey nearly 15 years working for others, Angel was ready to strike out on his own.

“The vision was to take expert styling, friendly staff and a soothing environment and blend them together to create something unique,” says Angel.

A cozy space, the salon offers not only comfortable styling chairs, new ‘neck and shoulder friendly’ basins for hair washing and rinsing, but also a ‘colour bar’ where clients can watch the stylist select and mix their hair-color and highlight combinations. And as part of the ‘oasis,’ every effort is made to make the experience a pleasure, which includes serving tea, cappuccino and other beverages.

Julio Angel Hair Studio offers the following services: cutting and styling, colour (single process, glaze, highlights, lowlights, hair painting and corrective color), chemical hair treatments and a menu of bridal must-haves.

Located at 31 E. Main St., Little Falls, the studio is open from Monday through Saturday. Please call 973-638-1638 for hours and to schedule an appointment. Follow Julio Angel Hair Studio on www.facebook.com for events, updates and hair-care tips, and soon at www.jahairstudio.com.
