Development and Peace Share Lent 2017: Women at the Heart of Change

“Get up and do not be afraid.” The message today is of how God, revealed to us, brings hope and promise. Yet, sometimes it is hard to have such hope after facing disaster. In 2004, a tsunami hit the coastlines around the Indian Ocean, resulting in 300,000 victims. In collaboration with its partners, Development and Peace provided emergency relief, completed the construction of 3,500 permanent homes and related infrastructure, and helped establish 26 community organizations. Bethlehem Religious Articles Sale on March 26th Please have a look at the religious olive wood carvings displayed in the foyer. These articles are hand crafted by the Christians of the Holy land who are seeking your support today to assist them in staying rooted in the land of Christ. **70 years ago, the Christian population was 20 % of the whole population, now they are only 1.0%.**

It is also a way of preserving a local cultural heritage which is in danger of being lost as a more Christians feel pressured to leave their homeland for economic and political reasons. These religious articles can be used as gifts for first communions, Christmas and other occasions. In addition, some of these articles can be used as a means of praying and providing comfort, strength, and even hope for people who are suffering.

Please note that **ONLY CASH is accepted at this time.** Thanks again for your support

Made In God's Image

What is God's intention for relationships? What does it mean to be a sexual being? Who does God say that I am? This event combines teaching and people sharing their stories of dealing with same-sex attraction and with pornography. Thursday, March 23, from 6:30 pm to 9:00 pm at Cedar Grove Church, Surrey. No registration required. Event is free.

March 19 –3rd Sunday of Lent

In today's Gospel, the Samaritan woman allows herself to experience a life-changing encounter with Jesus. As she conversed with Jesus her understanding of who he was grew, and this inspired her to want to bring others to also know him. The more we come to know Jesus the more we desire to share the joy that we have discovered in knowing and following him. Prayer and fasting are ways in which we can all deepen our relationship with Jesus. Sacrificial almsgiving closes the gap between what we are comfortable in giving and what God calls us to give and thus strengthens our trust in God because we trust that he will always provide for our needs. And, when we give in gratitude for all that God has given us, and not merely out of a sense of obligation or duty, we grow in our relationship with him. We do well to invest a generous portion of our time in growing in our faith this Lent by allowing ourselves to truly encounter Christ and accept our mission to be stewards of the Good News.
