## March 19 –3<sup>rd</sup> Sunday of Lent

Stewardship is a call to collaborate with God. In baptism we are anointed and called. We are called to be a light, as St. Paul says in today's second reading, "Live as children of the light". How is God calling you? What are the gifts He has given you to respond to this call? Spending some quiet time in prayer with God each day is the best way to discern His plan and purpose for our lives. Each of us can be a light in our own unique way. Finding that way in the busyness of life requires that we be good stewards of our time and make time to hear God's voice. God always provides what we need to be a light, provided we do our part and are good stewards of the gifts He has given us to be that light.
