April 16 –Easter Sunday

Each year at Easter Vigil we renew our baptismal promises. Our baptism changes us forever. Baptism calls us to be Disciples of Christ. Responding to the call to follow Jesus involves many choices – choosing a lifestyle of stewardship is the response of an authentic disciple. Stewardship is to walk the road of joy. When we take care to cultivate and share our gifts we experience the joy of returning our gifts to God with increase. Today we celebrate Jesus' resurrection, which changed our world forever. How might your discipleship and stewardship change your world, and the world around you this year?
