1.2.1 The Bargaining Unit position classifications may be expanded by the District during the term of this Agreement.

1.2.1.1 New position classifications shall be provided by Human Resources to the Bargaining Unit for review and comment. The Bargaining Unit shall provide a written response to the proposed new classification within twenty-one (21) calendar days from the date received. If requested, Unit and Management will meet jointly within fifteen (15) calendar days from receipt of Unit response to clarify and discuss any concerns regarding the new classification. For the purpose of discussing new classifications and job descriptions as described in this section, the joint meeting will be comprised of the LRCEA and District representatives of the Joint Job Classification Review Committee.

1.2.2 The Bargaining Unit shall not have any position classifications removed from it during the term of this Agreement without the express written agreement of LRCEA.

1.2.3 Disputed cases regarding the composition of the Bargaining Unit and additions and/or exclusions into or from the Bargaining Unit shall be submitted to PERB for final resolution.

1.2.4 The District agrees it shall not layoff or reduce the annual, monthly, and/or hourly work schedule of any employee in any position classification in the Unit during the life of this Agreement, except as provided for in Appendix A of this Agreement.

3.1.3 Religious Objector Claim

Any employee who is a member of a religious body whose traditional tenets or teachings include objections to joining or financially supporting employee organizations shall file a declaration to that effect with LRCEA and the District within thirty (30) calendar days of the effective date of this Agreement or of the employee being employed into a position in the Bargaining Unit, whichever comes first. Such employee shall not be required to join or financially support LRCEA, except that he or she shall have deducted monthly from his or her paycheck, in lieu of a fair share service fee, a sum equal to such monthly fair share service fee which shall be paid to one of the following charitable organizations designated by the employee:

Sacramento Children’s Home
KVIE Sacramento Public Television

3.1.4 Payroll Deduction Authorization

LRCEA reserves the right to pursue the collection of said amounts under lawful means.

3.1.5 Changes to Dues or Fee Schedule

LRCEA shall provide the District with a schedule of the dues or the fee for the employees covered by this Agreement not later than September 1 of each year. In the event the District does not receive a schedule by September 1 reflecting changes to the dues or fee schedule, the District shall continue to deduct the amounts as provided under the last schedule.

The District agrees to indemnify and hold LRCEA harmless (including reasonable attorneys' fees and costs) against any and all allegations, actions, claims, suits, orders or judgments brought or issued against LRCEA as a result of any action taken by agents of the District and/or Board of Trustees pursuant to the provisions of Article 3 of this Agreement.

Article 4: Evaluation of Job Performance

4.1 Purpose of Evaluating Job Performance

- 4.1.1 The overall purpose of evaluating the job performance of employees is the improvement of services in support of the educational program of the District. The purpose of the employee evaluation is to reflect the unit member's proficiency in the job; promote self-improvement; identify areas in which the individual is performing satisfactorily, as well as the area where improvement is desirable; and to identify goals and objectives for the ensuing year.
- 4.1.2 The employee evaluation process is an on-going process, wherein the employee is informed in writing as to progress in meeting the performance standards of the position. Evaluations of job performance may also include:
- a) guidance and training for assignments;
 - b) development of job-related goals in terms of performance;
 - c) assisting the employee in achieving their own personal professional goals and aspirations; and
 - d) to recommend permanent status for probationary employees who satisfactorily complete the probationary period.
- 4.1.3 It is the District's intent that all permanent classified employees covered by this Agreement shall be evaluated annually on their work performance. Conditional and probationary employees shall be evaluated in accordance with the appropriate sections of this Article, Sections 4.7 and 4.8, respectively. The Report of Job Performance for classified staff shall be used by the evaluator in communicating with those employees for whom they have responsibility for performance evaluation. The Report of Job Performance in Appendix C is attached hereto and incorporated by reference as a part of this Agreement. Employees receiving an overall rating of "competent" or "commendable" on their Report of Job Performance for the first two (2) years of employment, including the probationary period, will be evaluated bi-annually thereafter.
- 4.1.4 **Special Evaluation**
A Special Evaluation of job performance may be made more frequently to address qualification factors in the Report of Job Performance if deemed advisable by the administrative officer. If a special evaluation is conducted, the Evaluator will clearly define for the employee performance factor(s) needing improvement and the review timeline/period(s). At the conclusion of the special evaluation period(s) feedback will be provided and a normal evaluation cycle will resume or the special evaluation period will be extended.

When an employee is placed on special evaluation, the District shall provide him or her with a reasonable period of time during which to improve his or her job performance in the area(s) documented as deficient.

4.2 **Evaluator (Rater)**

The evaluator of the job performance of an employee shall be a District manager or supervisor who is directly responsible for the District operating unit in which the employee is assigned, and, except for such District manager or supervisor, no other employee in the bargaining unit or person outside the bargaining unit shall evaluate the job performance of any employee. Employees in a lead capacity may be asked by the evaluator for input. Input received, however, cannot be factored into a report for job performance review unless it has been verified in writing by the evaluator.

4.3 **Evaluator Training**

4.3.1 The District's Human Resources Department shall provide Report of Job Performance training to current District employees who are responsible for Report of Job Performance reviews (i.e., management, supervisor) for classified employees covered by this Agreement. Prior to evaluating a unit member, the evaluator is required to participate in training regarding the Report of Job Performance review process.

4.3.2 The District agrees to hold Report of Job Performance review training sessions on a semi-annual basis in order to provide timely training for new supervisors and managers.

4.4 **Scope of Evaluation**

No evaluation of an employee shall include any duty that is not fixed and prescribed for the job classification of the employee by the District's Board of Trustees pursuant to the California Education Code, and no employee shall be assigned or required to perform any duty that is not reasonably related to the mission of the District. No arbitrary or capricious evaluation shall be issued to any employee covered by this Agreement.

4.5 **Categories and Factors for Report of Job Performance**

The evaluator shall rate the following performance categories when evaluating the employee:

4.5.1 Quality of Work

The degree of excellence of the work performed over the entire rating period. Taken into consideration are adequacy of job knowledge, neatness, accuracy, and thoroughness.

4.5.2 Quantity of Work

Considers volume of work and extent to which work schedules are met; productivity, timeliness.

4.5.3 Work Habits and Attitudes

Maintains required work schedule, break periods. Meets obligations on time. Plans and organizes work to provide an efficient process and ensure satisfactory results. Complies with instructions, rules and regulations. Ability to

work without immediate supervision.

4.5.5 Relationship with Others

Works cooperatively and effectively with others. Responds to inquiries in a timely manner. Provides professional service when helping students, the public, and the college community. Works cooperatively in support of other employees and the goals of the department.

4.5.6 Leadership Abilities (if applicable)

Develops, trains and supports those employees who report to him/her. Makes appropriate and effective work assignments to achieve unit workloads.

4.5.7 Additional Factors

This section is used to identify additional factors not covered in previous areas or to evaluate success of previous performance improvement plan.

4.5.8 Overall Rating

The rating shall be consistent with the factor ratings. An overall rating of "Needs to Improve" or one factor rating of "Unacceptable" shall require documentation of "performance assessment(s)" as well as meeting with the employee to develop a plan for improvement. Continued need for improvement shall require additional performance assessment meetings or evaluations. An overall performance review rating of "Unacceptable" will, when applicable, prevent an employee from receiving his or her step increment for that year. The overall rating is not necessarily an average or composite of the individual category/factor ratings of a performance review.

4.6 **Evaluation Process**

4.6.1 Completing the Report of Job Performance

In completing the Report of Job Performance, the evaluator shall:

- a) Consider the entire period of time which is subject to the evaluation process;
- b) Exclude activities or incidences which occurred during the evaluation period which are unusual circumstances, isolated incidences, or other unavoidable conditions;
- c) Consider verified additional factors for inclusion in overall appraisal of employee;

- d) Provide a written record of employee deficiencies which affect job performance;
- e) Review performance by evaluating the employee's performance in terms of responsibilities and tasks which have been directly observed or verified in writing through other observers during the period of evaluation;
- f) Analyze need for training, counseling and providing resources;
- g) Ensure observations are complete and correct and have not been distorted by limited observation;
- h) Use consistency when rating performance categories and factors, using consistent standards of measurement for all employees in the same classification.

4.6.2 Role of Reviewing Officer

Prior to the evaluation meeting scheduled with the employee, the Report of Job Performance shall be signed by the evaluator and shall be reviewed and signed by the designated reviewing officer. If during the evaluation meeting with the employee it is determined that revisions are necessary, the primary evaluator shall review potential changes with the reviewing officer and prepare a new report for signature by the evaluator, reviewing officer and employee.

4.6.3 Meeting Between Primary Evaluator and Employee

The evaluator may present the employee with a draft Report of Job Performance review for comments prior to discussion of the final review. LRCEA unit employees shall be allowed up to forty eight (48) hours (two work days) to review the Report of Job Performance that has been signed and dated by the evaluator and the reviewing officer. If an employee chooses not to sign the final Report of Job Performance, the evaluator shall annotate the Report of Job Performance accordingly and provide a copy to the employee at that time. One (1) copy of the Report of Job Performance will be given to the employee.

4.7 Evaluation of Conditional Employees

4.7.1 Definition

Conditional employees are permanent employees in the white collar unit who have been promoted or transferred within the District. Such employees are given six (6) months to satisfactorily learn and perform a new job.

4.7.2 Time Line

Conditional employees shall be given a written performance review at the end of the third (3rd) and fifth (5th) months.

4.7.3 Unsatisfactory Review of Conditional Employees

Conditional employees who do not meet the standards of the new position may be returned to a former classification where they had obtained permanency and had received satisfactory evaluations. Satisfactory evaluations would be an overall rating of "Competent" or "Commendable" for members of the white

collar unit. In the event of a return of a conditional employee to a former position, the Vice President of Administrative Services at the campus or the Director of Human Resources shall be contacted.

4.8 Probationary Employees

4.8.1 Definition and Probationary Period

A probationary employee is an employee who has been appointed by the District to a regular classified position in a job classification in the bargaining unit, and who is in the process of completing the required probationary period of twelve (12) consecutive months of District service in the job classification.

4.8.2 Effect of Short Term and/or Substitute Assignment

Time spent by an employee in service in substitute and/or short-term positions does not count toward a probationary period in a regular position. (Education Code 88127)

4.8.3 Effect of Absence on Probationary Period

If during the probationary period the employee's absences for whatever reason exceed twenty (20) consecutive days, the probationary period may be extended on a day-to-day basis until the opportunity to observe the employee has been provided for a full probationary period.

4.8.4 Time Line

Probationary employees shall be given written performance reviews three (3) times in the first year of employment specifically in the fourth, eighth and eleventh months. The final review will carry a recommendation regarding status for the employee.

4.8.5 Unsatisfactory Review of Probationary Employees

Probationary employees may be released at any time during the first year of employment without cause. In this event, the Vice President of Administrative Services at the campus will notify the Director of Human Resources. If the Director of Human Resources concurs with the recommendation as per Board Policy 6625, such recommendation will be communicated to the Union President or his or her designee prior to meeting with the affected employee.

4.9 Unsatisfactory Review of Permanent Employees – Appeal

4.9.1 If the employee disagrees or believes that the Report of Job Performance contains or is based upon false or misleading information, the employee may request that the administrative officer conduct an inquiry within ten (10) days of receipt of the performance review. The administrative officer shall be different from the evaluator and the reviewing officer who completed the Report of Job Performance. If it is determined that one or more processes has been violated, the performance review shall be void and revised accordingly. Furthermore, if the evaluator intentionally used false information, the evaluator may be subject to adverse action, including discipline.

4.9.2 The employee may file a written response to the evaluation within twenty (20)

days of the evaluation meeting or meeting with the administrative officer, whichever is later. Such response will be attached to the Report of Job Performance in the personnel file at the District Office.

4.9.3 A permanent employee may appeal the decision of the administrative officer within twenty (20) days of the date of receipt of the administrative officer's decision to the Director of Human Resources. The Director of Human Resources shall review the appeal of the permanent employee and may gather information in his or her review of the appeal. The Director of Human Resources shall render a decision on the permanent employee's appeal within thirty (30) days of receipt of the appeal.

4.10 **Grievance**

The process used for the performance review of employees is subject to the grievance procedure. However, the standards employed and the judgments rendered, while subject to the appeals process mentioned above, are not subject to the grievance procedure. The period in which the grievance is required to be filed shall not commence until after the employee receives the final evaluation of his or her job performance from the evaluator, or after the employee received the written response from the District pursuant to Section 4.9 of this Agreement. The District agrees it will not use the procedures and processes pertaining to evaluating job performance of employees to harass any employee covered by this Agreement.

4.11 **Representation for Evaluation Meetings**

Employees shall be entitled to have a LRCEA representative present if he or she so requests during meetings to discuss the Report of Job Performance that could lead to disciplinary action taken against the employee. The District will provide the employee reasonable advance notice in such cases of potential disciplinary action.

4.12 **Self-Evaluation**

No employee in the unit shall be required to self-evaluate his or her performance and the District shall take no reprisal against any employee in the unit who refuses to self-evaluate his or her job performance.

4.13 **Exclusive Process**

The only evaluation procedure and process that shall be used by the District to evaluate the job performance of employees in the unit are those which are described in Article 4 of this Agreement.

5.1 Annual Work Schedules

Each employee is assigned a regular annual work schedule during the fiscal year of the District in accordance with the following:

5.1.1. Fiscal Year

The fiscal year of the District is the twelve (12) calendar month period commencing July 1 and continuing uninterrupted through the following June 30.

This includes, but is not limited to, vacation, holidays, and Board-granted days off. Employees with a work schedule of eleven (11) months will be paid by the hour.

5.1.4. Work Schedule – Ten-Month Positions

5.1.5. Work Schedule – Nine-Month Positions

The annual work schedule of a full-time employee designated as having nine (9) months of service will have a minimum of 1,400 paid-status hours. This includes, but is not limited to, vacation, holidays and Board-granted days off. These days will be scheduled during the academic calendar year. Employees with a work schedule of nine (9) months will be paid by the hour.

5.1.5.1. Less Than Full-Time Nine-Month Positions

5.1.5.3. Cafeteria Employees – School Vacations, Final Exam Week and Semester Breaks

Cafeterias normally operate on a reduced schedule during school

vacations, final exam week and semester breaks. During these periods, food service employees shall be scheduled as needed and the work schedule adjusted accordingly. Seniority shall be given equal consideration in such scheduling.

5.1.5.4 Cafeteria Employees – Summer Session

When the District decides to operate a cafeteria during the summer session, the positions to be filled, as determined by the District manager or supervisor directly responsible for the affected cafeteria, will be posted for five (5) working days not later than May 1 immediately preceding the summer session involved. Regular employees wishing to work during the summer may request, in writing, to fill one of the posted positions. Such assignments will be made on a seniority basis provided the employee meets the minimum qualifications for the position requested. If the summer session assignment is in a job classification lower than their regular work schedule assignment, the employee will be paid at the lower job classification range and at the step closest to their regular base pay without exceeding it. For work performed at a higher classification than the assigned job classification during the summer session for more than five (5) working days within a fifteen (15) day period the employee shall be paid at the higher classification rate for the entire period of out of classification work.

5.2 **Work Week**

The work week for all classified employees shall be from 6:00 a.m. Saturday through 5:59 a.m. the following Saturday.

5.2.1 Work Week

5.2.2 Work Week Schedule – Consecutive Work Days

During the term of this agreement, the District will not advertise full-time positions with a work week of five days that are not consecutive days. The work week for existing unit members as of July 1, 2002, who were hired for positions advertised with a work week of five non-consecutive days will not be affected by this provision.

Employees shall be allowed to take their rest periods and meal periods as regularly scheduled. Employees not wishing to take rest periods will observe lunch periods as scheduled and work their regularly assigned schedule, except in extraordinary circumstances as determined by the immediate supervisor. The following are the criteria for overtime for non-exempt employees:

6.2.1 Full-Time Non-Exempt Employee – Overtime

For a non-exempt employee with an assigned forty (40) hour work week, work performed in excess of eight (8) hours in one day or forty (40) hours in a week shall be classified as overtime when approved in advance by the immediate supervisor or administrator.

6.2.2 Part-Time Non-Exempt Employee – Overtime

For a part-time regular non-exempt employee having an average work day of four (4) hours or more, any work required to be performed on the sixth or seventh day shall be compensated at the overtime rate. 6.3 Non-Exempt Employee – Overtime Compensation Rate

Non-exempt employees working authorized overtime shall be paid at the rate of one and one-half (1½) times the employee's straight-time rate. Straight-time rate is the hourly rate per the LRCEA Salary Schedule, considering the employee's step and range placement.

6.3.1 Effect of Paid Leaves on Overtime

For the purpose of computing the number of overtime hours worked, time during which an employee is excused from work because of holidays, sick leave, vacation or other paid leave of absence shall be considered as time worked by the employee.

6.3.2 Compensatory Time Off

By mutual agreement between the employee and his or her immediate supervisor, the employee may have compensatory time off at time and one-half (1½) in lieu of paid wages. Any compensatory time provided must be taken within three (3) calendar months following the month in which the overtime was worked. If such compensatory time off is not taken within the three (3) month period, the employee shall be paid for the overtime work.

6.3.2.1 Record of Compensatory Time

Compensatory time earned and used shall be recorded on the Compensatory Time Off Timesheet described in Appendix C of this Agreement.

6.3.3 Call-In on Regular Workday

When an employee is required by the District to come to work prior to the start of his or her regular shift, or to remain at work to work after the end of his or her regular shift, and such notice is given to the employee on the same day as the additional time is to be worked, the District shall pay the employee at the overtime rate for each hour or portion thereof worked; and

6.3.3.1 Additional Time – Less than Two (2) Hours

If the additional time is for up to two (2) hours, a minimum of two (2) hours overtime shall be paid.

If the additional time is more than six (6) hours but less than eight (8) hours, eight (8) hours of overtime shall be paid.

6.3.4 Emergency Call Back Pay

An employee called back after the close of his or her regular shift will receive pay at the overtime rate of time and one-half (1½) if such call back does not immediately precede or follow his or her regular shift. The overtime pay shall commence upon departure to the call back site. All call backs are compensated based upon a direct portal-to-portal route. An employee who is called back but is not required to report to a call back site shall be compensated at the overtime rate of time and one-half (1½) for only the time actually worked.

6.4 **Non-Exempt Employee – Overtime during Holidays and Board-Granted Days Off**

When a non-exempt regular employee works during a holiday or Board-granted day off, the employee shall receive:

6.4.1 Holiday Overtime Rate

Pay or compensatory time off at the rate of two (2) times his or her regular rate of compensation for the day if required to work less than eight hours, and normal holiday pay [e.g. if regular, full-time employee is required to work eight hours on a holiday, then his or her compensation in addition to the holiday pay would be sixteen (16) hours (2 x 8) at his or her straight time rate of pay.]

6.4.2 Effect of Working Both Holiday and In-Lieu Of Day
When an employee is requested to work both a holiday or Board-granted day off and an in-lieu-of-day, the employee will be paid at the holiday rate for each such day.

6.4.3 Effect If On Paid Leave of Absence
If an employee is absent from work because of sick leave, vacation, or other paid leave of absence which also occurs during a scheduled holiday or Board-granted holiday period, the holiday shall be considered as time worked. The employee shall not be charged for any other paid leave of absence.

6.5 **Assignment of Overtime**

6.5.1 Assignment of Voluntary Overtime
When an overtime opportunity exists as determined by the District, the assignment will be offered to employees in the required job classification on a rotational basis. A listing of employees in order of Board hire date in this job classification will be established with the earliest Board hire date listed first. The employee at the top of the list will be offered the overtime assignment first. Should the employee either accept or reject the assignment, his/her name will rotate to the bottom of the list.

6.5.2 Assignment of Involuntary Overtime
In the event that sufficient employees do not accept overtime on a voluntary basis, the unit supervisor shall require personnel to work overtime as needed. All other things being equal inverse seniority shall be the consideration in the assignment of required overtime.

The physician's statement shall include the beginning date and anticipated ending date of said illness.

7.1.4.1 Extenuating Circumstances

If, due to the nature of the illness, it is impossible or impractical for the employee to provide advance notice of the illness and/or a physician's statement regarding the illness, the employee will notify his or her immediate supervisor/designee of the situation when medically able to do so, and the employee will keep his or her immediate supervisor/designee advised of the situation until such time as a physician's statement is delivered to the immediate supervisor/designee. The immediate supervisor shall be responsible for forwarding the physician's statement to the site administrative officer. The administrative officer will forward the information to the District Employee Benefits Office for inclusion in the employee's file.

7.1.5 Physician's Statement

Whenever a physician's statement is required for proof of absence, the following shall apply:

- 7.1.5.1 Definition of Physician

However, in any case where an employee was terminated as a result of action initiated by the employer for cause, such a transfer may be made if agreed to by the Board of Trustees. The employee must initiate the transfer of illness absence leave credit and the transfer must be accomplished within one (1) year of the termination of his or her former employment.

7.6 Entitlement to Other Sick Leave (Five Month Law)

Every regular classified employee shall once a year be credited with a total of one hundred (100) days of Other Sick Leave including the sick leave provided in Education Code Section 88191. 7.6.1 Use of Other Sick Leave (Five-Month Law)

The paid sick leave provided for in this section shall be in addition to any other paid leave and shall be used after the exhaustion of the leaves provided in Education Code Sections 88191 and 88192. Allowable Other Sick Leave shall not be accumulative under this section from year to year, nor shall an employee be credited with more than one entitlement to Other Sick Leave for a single illness or injury. Section 88196.5 of the Education Code is hereby referenced and considered included herein. Use of this five-month law requires submission of a physician's statement (see Section 7.1.5).

7.6.2 Use of Other Sick Leave During Extra Assignment

When an employee with a regular annual work schedule of less than twelve (12) months works extra hours during a period that is not part of his or her regular annual work schedule, such as in the case of summer session, the employee is eligible to use Other Sick Leave during that extra assignment.

7.7 Use of Vacation for Illness Absence

Whenever an employee uses all of his or her allowable sick leave, further absence will be charged against his or her accrued vacation. If approved in advance by the campus Vice President of Administration or District Administrative Officer, the employee may take loss of pay for such absences rather than vacation.

7.8 Industrial Accident and Illness

The District is self-insured for the benefit of the regular employee who sustains a personal injury in the performance of the job. Industrial accident or illness is defined as an illness or injury supported by a physician's statement and qualifying as being work-connected under the Labor Code. The benefits described in this section are in addition

to those benefits provided an employee under the Labor Code.

7.8.1 Allowable Days of Compensated Absence

All regular employees who have completed three (3) full years of District service shall be granted industrial accident and illness absences with full pay for each such accident or illness. This allowable leave shall not exceed sixty (60) working days for the same accident. This allowable leave shall not be cumulative from year to year. When an industrial accident or illness occurs at a time when the full sixty (60) days will overlap into the next fiscal year, the employee shall be entitled to carry over into the next fiscal year only that amount remaining at the end of the fiscal year in which the injury or illness occurred.

7.8.1.1 Commencement of Industrial Accident or Illness Leave

Industrial accident or illness absence shall commence on the first day the employee is absent from work and shall be reduced by one day for each day of the employee's authorized absence regardless of any temporary disability award.

7.8.2 Educational Code Restriction on Travel (per Education Code Section 88192)

Any employee receiving benefits as a result of industrial accident and illness leave shall, during periods of injury or illness, remain within the State of California unless the Chancellor, as representative of the governing board, authorizes travel by the employee outside the state.

7.8.3 Reporting Industrial Accident or Illness

Employees are expected to exercise due care in performing their duties and to report all hazardous conditions to their immediate supervisor. Should an employee sustain a personal injury on the job, the employee shall notify his or her immediate supervisor, or their supervisor if the immediate supervisor is not available, immediately or as soon as he or she is physically capable of doing so and request that an industrial accident form be completed. It is the immediate supervisor's responsibility to see that an accident form is filled out and forwarded to the administrative officer on the same day that the accident occurs so that a report may be filed with the District Office within twenty-four (24) hours of the time of the accident.

7.8.3.1 Initial Examination by Physician

Benefits cannot be paid to an injured employee under any circumstances unless the report of the accident has been filed by the employee or, if unable, by his or her representative with the immediate supervisor and the District Office, and the employee has been examined by a physician, nurse practitioner, surgeon, physician's assistant or psychiatrist by the Medical Board of California or by the California Board of Dental Examiners to practice medicine and prescribe controlled medications within a reasonable period following the accident.

7.8.3.2 Examination by Designated Physician

The District has the right to have the employee examined by a physician designated by the District to assist in determining the

length of time during which the employee will be temporarily unable to perform assigned duties, and the degree to which a disability is attributable to the "injury involved."

7.8.4 Use of Earned Illness Leave

When the employee's entitlement to industrial accident and illness leave has been exhausted, the employee's entitlement to earned sick leave will then be used.

7.8.4.1 Coordination of Leave Benefits

If the employee is receiving a compensation award, he or she shall be entitled to use only as much of his or her accrued sick leave or vacation as, when added to the compensation award, will provide for a full day's pay.

7.8.5 Indemnity Checks

During any period the employee is off work on paid industrial accident and illness leave, the employee shall endorse to the District the temporary disability indemnity checks he or she receives because of the industrial accident or illness. The District, in turn, shall issue the employee appropriate salary warrants for the payment of not more than his or her full salary and shall deduct normal retirement and other authorized contributions from such warrants.

7.8.6 Employee Status During Industrial Injury Absence/Leave

Periods of paid industrial injury absence/leave shall not be considered a break in the employee's service.

7.8.7 Physician's Determination Regarding Employee's Health

The extent and duration of an employee's eligibility to receive compensation during industrial injury leave is subject to medical review and determination per the Labor Code, except that no such contract shall provide less than required by Section 88192 of the Education Code.

7.8.8 ADA/FEHA Reasonable Accommodations for Qualified Individuals with Disabilities

Once it is ascertained that a person is a qualified individual with a disability, the District will engage in a timely and interactive process with the employee to determine if the employee can perform the essential functions of his or her job with or without reasonable accommodations. Employees should inform their supervisors of the need for reasonable accommodations.

7.8.9 Reemployment List

If, at the conclusion of all paid or unpaid leaves of absence to which the employee is entitled, the employee is still unable to assume the duties of his or her position, the employee shall be placed on a reemployment list for a period of thirty-nine (39) months. If at any time during the thirty-nine (39) months the employee is able to assume the duties of his or her position, the employee shall be reemployed in the first vacancy in the classification of his or her previous assignment. The District may pay and appoint a non-attending physician to examine the employee if the District believes there is cause. The first vacancy in the classification of his or her previous assignment will be

determined by the date the position vacancy is authorized to be filled by District Fiscal Services. His or her reemployment will take preference over all other applicants except those laid off for lack of work or lack of funds, in which case he or she shall be ranked according to his or her proper seniority. If the employee refuses the offer of reemployment, he or she shall be removed from the reemployment list and shall have no further rights of reemployment accorded an employee on the 39-month reemployment list.

7.9 **Short-Term Military Leave**

A regular employee whose District service and recent military service total one (1) full year may be granted a short-term leave for a period of ordered duty providing it does not exceed one hundred eighty (180) calendar days (including time involved in going to and returning from such duty) in one (1) fiscal year.

7.9.1 Restriction on Use of Short-Term Military Leave During Extra Assignment

When an employee with a regular annual work schedule of less than twelve (12) months works extra hours during a period that is not part of his or her regular annual work schedule, such as in the case of summer session, the employee is not eligible for short-term military leave during that extra assignment.

7.9.2 Call to Active Duty

When an employee is temporarily called to active military duty or for the purpose of attending military field training exercises, he or she shall be entitled to be paid the difference in his or her regular salary and his or her military duty pay for the first thirty (30) calendar days of absence for the work days he or she is absent from the District providing the military duty occurs during a period in which the employee is in paid status during his or her regular annual work schedule.

7.9.3 Qualification for Benefit

In order for an employee to qualify for the benefits provided in Section 7.9.2 of this Agreement, he or she must forward a written request for the military leave accompanied by a copy of the field order to the site administrative officer for forwarding to District Human Resources prior to reporting for training or duty. In order to receive the difference in pay, the employee must complete the military leave form.

7.10 **Jury Duty**

An employee who is called for jury duty shall be granted the necessary time off with pay to fulfill this obligation.

7.10.1 Use of Jury Duty Leave During Extra Assignment

When an employee with a regular annual work schedule of less than twelve (12) months works extra hours during a period that is not part of his or her regular annual work schedule, such as in the case of summer session, the employee is eligible for jury duty leave during that extra assignment.

7.10.2 Pay During Jury Duty Leave

A regular employee serving as a member of a jury will receive full pay from the District provided the person signs over and remits to the District all

compensation received for such jury duty, exclusive of mileage, meals and/or parking expenses.

7.10.3 Adjustment of Work Schedule During Jury Duty Leave

For purposes of this section only, when an employee is required to report for jury duty the employee's normal work schedule will be adjusted to reflect that the employee's work hours fall within the hours of 8:00 am to 5:00 pm. If an employee is released from jury duty prior to having completed the regular number of hours of their work assignment for that day, the employee is expected to return to work and complete his or her work hours for that day within the hours of 8:00 am to 5:00 pm. The employee is expected to return to work whenever it is not necessary to be absent the entire day, providing the return does not create unreasonable expectations of the employee.

7.11 **Bereavement Leave**

Every regular employee shall be granted necessary leave with pay, not to exceed three (3) days or five (5) days if out-of-state travel is required, in the event of the death of any member of the employee's immediate family. One additional day may be taken for in-state travel in excess of three hundred fifty (350) miles one way from Sacramento. The employee will record the destination, name of the deceased, and the relationship to the employee on the employee's absence report.

7.11.1 Immediate Family for Bereavement Leave

In addition to immediate family members as defined in Section 7.4, nieces and nephews of the employee will be considered members of immediate family for bereavement leave only.

7.11.2 Use of Bereavement Leave During Extra Assignment

When an employee with a regular annual work schedule of less than twelve (12) months works extra hours during a period that is not part of his or her regular annual work schedule, the employee is eligible to use bereavement leave during that extra assignment.

7.12 **Required Court Appearance**

One (1) day of absence per year with pay will be allowed for an employee to appear as a witness in court, as a litigant, or to respond to an official order from another governmental jurisdiction for reasons not brought about through the connivance or misconduct of the employee. The exception is to be made if the employee is acting in the capacity of witness at the request of the District legal counsel on behalf of the District. In such instances, the employee will be treated as if on paid status (i.e., as if attending a workshop).

7.12.1 Use of Court Appearance Leave During Extra Assignment

When an employee with a regular annual work schedule of less than twelve (12) months works extra hours during a period that is not part of his or her regular annual work schedule, the employee is eligible for court appearance leave during that extra assignment.

7.12.2 Absence Report Documentation

A copy of the subpoena or notice to appear must be attached to the Report of Absence form submitted by the employee.

7.12.3 Return to Work

The employee is expected to return to work whenever it is not necessary for the employee to be absent the entire workday, providing the return does not create unreasonable expectations of the employee.

7.13 **Personal Business**

Each regular employee may be granted the necessary time off from work, with pay, not to exceed two (2) work days per year, to resolve business-type matters which require attention during work hours and which are the responsibility and rightful concern of the individual. Unused personal business days do not accrue or carryover from one year to the next.

7.13.1 Reasons for Use of Personal Business Leave

Personal business leave is to be used for activities that the employee could not reasonably be expected to accomplish during non-duty times. In order to approve or disapprove a requested leave, a quorum of the Committee, defined as three (3) or more voting members, must be present to vote. The Committee shall also be responsible for determining if additional solicitations other than the annual solicitation in April are needed.

The Committee may not approve a Catastrophic Illness or Injury Leave that exceeds the available funding in the Catastrophic Leave or Injury Leave Bank.

7.22.4 Application for Catastrophic Illness or Injury Leave

An eligible employee who is vested in the Catastrophic Illness or Injury Leave Program and who has satisfactorily completed his or her probationary period may apply for Catastrophic Illness or Injury Leave by submitting an application for such leave to the Director of Human Resources. In order for an application to be acted upon, a Release of Medical Information form must accompany the application.

7.22.4.1 Eligible Employee Vesting

An eligible employee must be vested in the Catastrophic Illness or Injury Leave Program prior to receiving a Catastrophic Illness or Injury Leave. To be vested, an eligible employee must have donated a minimum of three (3) accrued, unused vacation hours within each cycle, as defined in Section 7.22, of the Catastrophic Illness or Injury Leave Program. The employee must be vested in the cycle of the Catastrophic Illness or Injury Leave Program in which they apply for a Catastrophic Illness or Injury Leave.

7.22.4.2 Physician Statement Required

A physician's statement verifying the employee's incapacitation or the incapacitation of a member of the employee's immediate family which incapacity requires the employee to take time off from work to care for that family member must accompany the application for Catastrophic Illness or Injury Leave.

7.22.4.3 Length of Leave

The length of Catastrophic Illness or Injury Leave shall not exceed ninety (90) calendar days commencing from the first day that the employee is in less than full paid status.

7.22.4.4 Requirement to Exhaust All Eligible Paid Leaves

Article 8: Leaves Without Pay

8.1 Application for Leaves Without Pay

An employee will need to submit a request for leave without pay along with supporting reasons and/or documents to the administrative officer (Vice President of Administration or appropriate Vice Chancellor) at least two (2) weeks prior to the requested starting date of the leave except in cases of emergency. Two (2) weeks prior to the effective ending date of leave (as originally requested) the employee must notify the administrative officer of his or her intent to return to work (or request an extension of the leave).

8.1.1 Salary and Benefits During Leave Without Pay

An employee on leave without pay earns no benefits, except where expressly mandated by law, including time toward seniority standing. To earn a service increment, a regular employee must work seventy-five percent (75%) or more of the working time between anniversary dates.

8.1.2 Other Employment During Leave Without Pay

Gainful employment, unless specifically authorized by the Board of Trustees, is prohibited during a leave of absence. Consideration will be given in the event an employee requests permission to obtain gainful employment.

8.1.3 Restriction on Combining Leaves Without Pay

An employee may not combine leaves without pay that, when added together, exceed a maximum length of twelve (12) months. For example, an employee may not take an unpaid personal leave immediately following an unpaid long-term health leave when, in combination, the two (2) unpaid leaves would exceed a maximum length of twelve (12) months.

8.2 Long-Term Health Leave

A permanent classified employee may be granted a long-term unpaid health leave in accordance with the following provisions:

8.2.1 Eligibility for Long-term Health Leave

A permanent classified employee who has used all entitlement to sick leave and vacation or other available paid leave and who must be absent because of accident or illness may be granted a long-term unpaid health leave for a maximum period of one (1) year.

8.2.2 Resumption of Duties

An employee, upon ability to resume the duties of a position within the class to which he or she was assigned, may do so by notifying the site administrative officer in writing for forwarding to the District Human Resources Office two (2) weeks prior to the planned return to work, providing that the attending physician verifies that the employee is fully able to assume all the duties of the position. The District may pay and appoint a non-attending physician to examine the employee if the District believes there is just cause. Time lost shall not be considered a break in service.

8.2.3 *Inability to Resume Duties – Placement on 39-Month Reemployment List*
If, at the conclusion of the leave of absence, the employee is still unable to assume the duties of his or her position, he or she shall be placed on a reemployment list for a period of thirty-nine (39) months.

8.2.3.1 *Ability to Return to Work While on 39-Month Reemployment List*
If, during the prescribed thirty-nine (39) months, the employee is fully able to assume the duties of his or her position (as verified by the attending physician), the employee shall be reemployed in the first vacancy in the classification of his or her previous assignment. The first vacancy in the classification of his or her previous assignment will be determined by the date the position vacancy is authorized to be filled by District Fiscal Services. The District may pay and appoint a non-attending physician to examine the employee if the District believes there is just cause. Upon the resumption of his or her duties, the break in service will be disregarded and he or she shall be fully restored as a permanent employee. If the employee refuses the offer of reemployment, he or she shall be removed from the reemployment list and shall have no further rights of reemployment accorded an employee on the 39-month reemployment list.

8.3 **Long-Term Military Leave**

Military leave without pay may be granted to a permanent employee for a period of one (1) year and extended upon request as substantiated by military field orders; however, such leave shall not continue more than one (1) year beyond the date such military service becomes voluntary on the part of the employee.

8.4 **Family Care Leave**

The District shall comply with all applicable state and federal laws relating to Family Care Leave.

8.5 **Child Care**

A permanent employee may be granted additional unpaid leave immediately following the birth or adoption of a child that when added to the family care leave provision does not exceed one (1) year.

8.6 **Personal Leave**

A permanent employee who has used all entitled vacation time and who must be absent from work because of pressing personal reasons may be granted a personal leave without pay for a specified period of time not to exceed twelve (12) months.

8.7 **Full-Time Leave For Educational Purposes**

A permanent classified employee may be granted an unpaid full-time educational leave in accordance with the following provisions:

8.7.1 *Eligibility for Full-Time Leave for Educational Purposes*

A full-time educational purpose leave without pay for a maximum length of one (1) year may be granted to a permanent employee who has worked for the District for seven (7) consecutive years when it has been determined by the College President/designee or the Vice Chancellor/designee to be in the best

interests of the college or the District divisions. The employee shall provide verification of acceptance/enrollment at the beginning of the leave and transcripts at the end of the leave. The following conditions shall be given consideration:

8.7.1.1 Course of Study

The course or training session is related to the unit member's current position or would contribute toward potential promotional opportunities in the District.

8.7.1.2 Work Schedule

The employee and the supervisor can work out a schedule so that the department's work load will not be adversely affected by the employee's absence.

8.7.1.3 Funds

Additional funds will not be required.

8.7.2 Participation in Staff Development Leave

The eligible employees may also apply for and participate in the Classified Staff Development Leave Program (paid leave) described in Section 7.21. Both leaves (paid and unpaid leave) may be combined for a maximum length of one (1) year.

8.8 Part-Time Educational Leave

A permanent classified employee may be granted an unpaid part-time educational leave in accordance with the following provisions:

8.8.1 Eligibility for Part-Time Educational Leave

A part-time educational leave without pay may be granted to an employee who has served the District for three (3) consecutive years upon recommendation of the supervisor and the administrative officer with the approval of the College President (or Vice Chancellor for District Office employees). The following conditions shall be given consideration:

8.8.1.1 Course of Study

The course or training session is related to the unit member's current position or would contribute toward potential promotional opportunities in the District.

8.8.1.2 Work Schedule

The employee and the supervisor can work out a schedule so that the department's work load will not be adversely affected by the employee's absence.

8.8.1.3 Funds

Additional funds will not be required.

8.9 **Peace Corps Leave**

Permanent employees who become Peace Corps volunteers may request a leave without pay for the period of their service in the Peace Corps not to exceed one (1) year.

Article 9: Compensation 2014-17

9.1 Funding Sources for Salary & Benefit Improvements

The bargaining unit shall receive its proportionate share of eighty percent (80%) of new or increased unrestricted revenue, as defined in Appendix A, which is above an established base amount. Appendix A is attached hereto and incorporated herein.

9.2 Salary Schedules and Initial Salary Placement

A regular employee at the time of employment will be placed on the first step of the appropriate salary range of the LRCEA Salary Schedule. Under extenuating circumstances, the Chancellor may authorize a higher step.

9.3 Anniversary Date

For anyone hired from the 1st through the 15th of the month, the anniversary date will be the first of that month; for anyone hired from the 16th through the 31st of the month, the anniversary date will be the first of the following month.

9.4 Earning A Step Increment

9.4.1 On the anniversary date, a regular employee will be advanced to the next step of the appropriate salary range.

9.4.2 Earning a service increment is dependent upon two conditions:

9.4.2.1 The employee must have served seventy-five percent (75%) of the required working days; i.e., 195 working days including holidays, paid sick leave, vacation, and other paid absences or leaves.

9.4.2.2 An overall performance review rating of "unacceptable" will, when applicable, prevent an employee from receiving his or her step increment for that year.

9.4.2.2.1 When the provisions of Section 9.4.2.2 occur, the employee will be re-evaluated within ninety (90) calendar days through the use of an additional performance evaluation as identified in Board Regulation 6141, Section 2.1.3. If the employee's special performance evaluation is no longer an overall "unacceptable" rating or the special evaluation has not been completed within one hundred (100) calendar days, the employee will be granted the step increment retroactively to his or her anniversary date.

9.5 Reclassification of Individual Position to Higher Salary Range

When the new job classification to which an employee is reclassified is one (1) or two (2) ranges above the rate of pay presently received, the employee will retain the same step on the higher applicable salary range.

Whenever a position is reassigned to a salary range which represents an increase of

three (3) levels or more, the incumbent will be placed on the first step of the higher salary range or on the step which will allow an upward adjustment of at least one (1) step over the present rate of pay. In no case will an employee's salary exceed the last step of the higher salary range, except for applicable longevity increments.

9.6 Shift Differential

9.6.1 Unit members regularly working ten (10) or more hours of their regular weekly shift after 4:30 p.m. shall receive one (1) range shift differential.

9.6.2 Unit members regularly working ten (10) or more hours of their regular shift after 12:30 a.m. shall receive one (1) additional range shift differential in addition to the differential provided in Section 9.6.1.

9.7 Longevity

Step 7 is a longevity step and can only be attained after ten (10) full years of satisfactory service with the District. An additional longevity increment of four percent (4%) will be paid to members of the bargaining unit after fifteen (15) full years of service with the District. A longevity increment of two percent (2%) will be paid to members of the bargaining unit after twenty-five (25) full years of service with the District.

After funding all other continuing costs as defined in Appendix A, Section A.2, any remaining continuing funds will be used to add an additional longevity increment of two percent (2%) for twenty (20) years of service. In the event that remaining funds are not sufficient to fund the full increment, then those funds will be set aside to be combined with any residual funds as defined above in subsequent years until sufficient funds are available for implementation. The increment will be effective in the year that the total amount needed is available and will be retroactive to either July 1 or the date the employee achieves the increment. If additional continuing funds remain after funding the minimum salary schedule improvement and the additional longevity step, those funds will be distributed as per Appendix A. Set aside funds will be distributed as one-time-only until implementation occurs.

9.8 Regular Employee Preference Extension

If there is a need for additional classified service during non-regular work periods, existing staff will be offered an extension of regular employment before temporary staff are hired. Employees working during non-regular work periods in the same classification shall receive their appropriate rate of pay/benefits.

9.9 Salary Computation

Salaries for White Collar Unit members are computed on an annual basis. The salary ranges for the White Collar bargaining unit as reflected on the LRCEA Salary Schedule are contained in Appendix B.

9.9.1 12-month employees shall be compensated as follows:
Annual Salary ÷ 12 = Monthly Rate

(Note: Annual salary equals monthly salary in Appendix B multiplied by 12.)

9.9.2 Less than 12-month employees shall be compensated as follows:
Annual Salary ÷ 2080 = Hourly Rate

(Note: Annual salary equals monthly salary in Appendix B multiplied by 12).

Salary shall be computed as follows:

- a. Hourly Rate x's number of hours (including holidays) to be worked in the fiscal year.
- b. For months in which employees will work less than a full month:
 - (1) Multiply the number of hours actually scheduled to be worked in the particular month(s) by the hourly rate. This shall be the amount of that month's paycheck.
 - (2) Subtract the amount of (1) above from the amount of 9.9.2(a).
 - (3) Divide the amount in (2) above by the number of full months to be worked in the fiscal year. This shall be the amount of each remaining month's paycheck.

9.10 Salary Calculation – Employment After July 1

Method for calculating salary for employees who begin employment after July 1 of the fiscal year - First Month's pay.

- a. Calculate the number of hours the employee will work, including paid holidays, for the remainder of the fiscal year.
- b. Multiply the hourly rate by the total number of hours to be worked to determine the total amount that will be earned during the year.
- c. Multiply the monthly rate times remaining full months in the fiscal year.
- d. Subtract the answer in (c) from the answer in (b). The remainder equals the first month's pay.

9.11 Salary Calculation – Termination Before June 30

Method for calculating the salary for employees who leave employment before June 30 of the fiscal year - Final Pay.

- a. Calculate the number of hours the employee worked, including paid holidays, during the fiscal year.
- b. Multiply the hourly rate times the number of hours worked to determine how much was earned.
- c. Total all pay received to date for the current fiscal year.
- d. Subtract the answer in (c) from the answer in (b). The remainder equals the final pay.

9.12 Voluntary Deductions – Less than Twelve-Month Employee

For employees working less than twelve (12) months, certain voluntary deductions shall

be computed and deducted over the pay period of the employee. Such voluntary deductions are:

- a. Any out-of-pocket cost for monthly medical and dental premiums, and
- b. Voluntary group life and accidental death monthly premiums.

The unit member shall be responsible for all other monthly premiums or payments of a voluntary nature during the months the employee is not receiving a monthly payroll check.

9.13 Repayment of Money Owed District or Employee

9.13.1 Underpayment

When monies are paid to an employee in amounts less than are due the employee, the District is responsible to pay that underpayment to the employee, up to the maximum allowed by law for such underpayments. The District shall bring the underpayment to the attention of the employee as soon as it is discovered and is liable and responsible for repayment of monies owed to the employee.

9.13.2 Overpayment

If monies are paid to an employee in excess of the appropriate amount due the employee, the employee is liable and responsible for repayment of the monies owed to the District. If the employee discovers the overpayment, the employee shall bring the overpayment to the attention of the District Payroll Office as soon as it is discovered by the employee.

9.13.2.1 When the District discovers the error, the District Human Resources Director shall notify the employee, in writing, of the amount and nature of the overpayment.

9.13.3 The money owed to the District shall be deducted from the next warrant due to the employee when:

9.13.3.1 The overpayment is \$200 or less; or

9.13.3.2 When the overpayment is the result of overuse of leave privileges; or

9.13.3.3 The overpayment is an extraordinary amount that the employee would reasonably be expected to recognize as an error or overpayment; or

9.13.3.4 When the error is discovered within seven (7) working days of the overpayment and if the employee is notified within the same seven (7) day period.

9.13.3.5 Any verbal notice within the seven (7) day period must be followed by subsequent written notice prior to the collection of the overpayment. In addition to the planned payroll deduction, the

District Human Resources Director shall inform the employee, in writing, that alternative payment plans may be requested for overpayments, and in such cases the District will allow the employee five (5) working days in which to respond to the written notice from the District Human Resources Director regarding alternate payment plans, before any collection action is taken by the District regarding the overpayment.

- 9.13.4 Any amounts due to the District which do not fall into any of the above categories will be deducted from future salary warrants at a rate of twenty percent (20%) of the employee's gross pay, but not less than \$200 per pay period until all money is repaid, unless other arrangements as stipulated in Section 9.13.6 have been agreed upon.
- 9.13.5 If an employee terminates employment with the District before the overpayment has been repaid, the remaining balance will be deducted in full from the final pay warrant. If the amount owed exceeds the final pay warrant, the remaining amount due shall be repaid to the District within thirty (30) days.
- 9.13.6 Regular nine-, ten-, and eleven-month employees will continue any repayment plan during their nonscheduled months by remitting the appropriate payment to the District Payroll Office by the first day of each month.
- 9.13.7 Requests for alternate payment plans may be submitted to the Director of Accounting Services. The decision to allow an alternate payment plan shall be based on any factors deemed relevant by the Director of Accounting Services at the District Office, however, denial of an alternate payment plan shall not be based on any arbitrary or capricious reason(s).
- 9.13.8 Disputes regarding overpayments or underpayments shall be subject to the grievance procedure at Level III only.
- 9.13.9 In all cases, neither the District nor the employee shall be precluded from pursuing legal methods of resolution of a dispute regarding the debt.
- 9.13.10 Nothing in this section shall preclude an employee from agreeing to repayment of the debt in larger increments provided the employee agrees to do so voluntarily.

Article 10: Fringe Benefits

10.0 Insurance Review Committee

The District shall provide coverage for health, dental, life, and other fringe benefit programs for members of the unit through plans recommended by the Insurance Review Committee (IRC) and adopted by the District. LRCEA may appoint a unit member as their representative to the IRC.

10.1 Section 125 Plan, Premium Only Plan, Dependent Care Assistance Program and Flexible Spending Accounts

10.1.1 Medical & Dental Premiums (Premium Only Plan)

The payroll calculations used by the District considers the pre-tax effect for medical and dental premium out-of-pocket costs paid by LRCEA members and other District employees.

10.1.2 Section 125 Plan – Dependent Care Assistance Program and Medical Expense Flexible Spending Account

A Dependent Care Assistance Program is provided to employees as permitted by Internal Revenue Code Section 125. This plan allows employees to annually elect to have a specified amount withheld from the salary payments for dependent care costs before income taxes are calculated. Employees must file claims for reimbursement when eligible costs have been incurred which then allows employees to pay for dependent care costs with pre-tax dollars. The District also has a Medical Expense Flexible Spending Account (FSA) plan. The plan enables employees to fund eligible uncovered medical/dental/vision expenses with pre-tax dollars. Typical out of pocket expenses eligible under this plan include, but are not limited to, vision care expenses such as eyeglasses and contact lenses, orthodontia, medical and dental co-pays.

10.1.2.1 If an employee's monthly pay is not adequate to allow for the dependent care or FSA deduction, that month's deduction will be skipped.

10.1.3 The District may charge participants a fee to cover the costs of administering the program should a third party administrator be engaged. LRCEA shall participate in the selection of a third party administrator through the District Insurance Review Committee.

10.1.4 A detailed description of plan benefits, eligible costs, and requirements can be obtained by contacting the Los Rios Employee Benefits Department. Employees should review this literature before electing to participate in either the Dependent Care Assistance Plan or the Medical Expense FSA.

10.1.5 Participation in the plan requires an annual election made at the time of hire or during the open enrollment period each year. There are no other opportunities during the year for employees to elect to participate in the plan.

10.1.6 Continuation of this plan is subject to the Internal Revenue Code. Should the code be changed or modified in any way, the plan shall be amended to comply with any federal/state changes and as determined by the District and LRCEA through the District Insurance Review Committee.

10.2 **Health/Medical & Other Insurance**

The District shall make a monthly contribution for employee and dependent(s) health/medical insurance coverage that has been negotiated with LRCEA as part of this contract for the upcoming contract year. The carriers for the LRCEA unit as of the 2014-15 fiscal year are: Kaiser Health, Western Health Advantage and Sutter Health plans. Any change in the contribution should be agreed to by the District and LRCEA prior to the annual open enrollment period each year for the coverage year starting July 1st. (A description of current employee benefits are available online at www.losrios.edu/business/benefits.php.)

10.2.1 The maximum District contribution amount in 2014-15 is currently established at \$1,130.16 per month for Kaiser Health, Western Health Advantage and Sutter Health participants. Increases to the District contribution level for 2015-16 and 2016-17 shall be funded from defined revenues described in Appendix A of this Agreement, and are subject to meeting and negotiating with LRCEA. Such negotiations shall occur after the Insurance Review Committee has recommended the plans for the ensuing year and any changes to the District contribution should be agreed to prior to the commencement of open enrollment. Any change in the District's contribution shall be effective July 1 of the contract year.

10.3 **Dental Insurance**

The District shall contribute up to a maximum of the monthly premium amount established for the self-funded dental program of the District.

10.3.1 The maximum District contribution amount in 2014-15 is currently established at \$129.00 per month and any increase above this level shall be funded from defined revenues described in Appendix A of this Agreement.

10.4 **Vision Plan**

LRCEA employees may voluntarily participate in the District's vision plan. The cost for participation is borne by the employee.

10.5 **Medical/Dental Coverage – Work Assignment Increases**

The District will allow regular employees who have never been enrolled previously, to enroll in the existing medical and/or dental insurance programs when the employee becomes eligible for an increased District contribution for medical or dental insurance due to a permanent increase in hours of employment. The District will notify the employee in writing of the provision of this section. The employee must then request enrollment in writing and within sixty (60) days of the effective date of the increased assignment. Coverage for this benefit would be effective the first day of the second month following written submission of enrollment application(s) to the Employee Benefits Department.

10.6 **District Contribution Levels for Employees Hired as of September 1, 1993**

The maximum monthly contribution level for medical and dental coverage as defined in Sections 10.2 through 10.3 shall be provided to each participating unit member who is employed as of September 1, 1993 and who has:

- a) a regularly assigned work schedule of twenty (20) or more hours per week; and
- b) a work year of nine, ten, eleven or twelve months a year.

10.6.1 For each participating unit member employed as of September 1, 1993, who has:

- a) a work schedule less than twenty (20) hours per week (less than 50%); and
- b) a work year of nine, ten, eleven or twelve months a year.

The District contribution shall be a proportionate amount of the maximum amount specified in 10.2 and 10.3 above.

10.6.1.1 The proportionate share shall be determined by calculating a percentage of the number of hours worked part-time as it relates to a full-time forty (40) hour a week position. (For example: A regular employee working ten (10) hours per week would be eligible for 10/40 or 25% of the maximum applicable District contribution.)

10.7 District Contribution Levels for Employees Hired after September 1, 1993

The maximum monthly contribution level for medical and dental coverage as defined in Sections 10.2 through 10.3 shall be provided to each participating unit member who has a regularly assigned work year of fifty percent (50%) or more of a full-time equivalent (FTE) position.

10.7.1 A full-time equivalent position is based upon an assigned twelve (12) month work year and regularly scheduled to work forty (40) hours per week.

10.7.2 The determination of the less than full-time equivalent factor shall be based upon the authorized FTE level established for the position. Intermittent or non-regularly scheduled hourly work which may occur during non-paid periods shall not be used in the determination of the FTE factor or the related District contribution level.

10.7.3 For each participating member who is hired after September 1, 1993, whose regularly assigned work schedule is less than fifty percent (50%) of a full-time equivalent (FTE) position, the District contribution level shall be a proportionate amount of the maximum amount shown in Sections 10.2 and 10.3 above.

For example, the District contribution level for a regular employee working ten hours per week for ten months would be twenty one percent (21%), which is computed as follows:

$$\begin{aligned}
 10 \text{ hours}/40 \text{ hours} &= 25\% \\
 10 \text{ months}/12 \text{ months} &= 83\% \\
 25\% \times 83\% &= 20.8\% \text{ of the maximum District contribution level.}
 \end{aligned}$$

10.8 Payroll Deductions Schedule

The District will continue to pay the established amount for medical and dental insurance coverage for the employee as long as he or she remains in paid status. Any out-of-

pocket costs for the selected insurances shall be deducted over the pay period of the employee.

10.8.1 Premiums for nine-, ten- and eleven-month employees will be paid by the District during regular non-pay months. Employee contributions for insurance premiums for the non-paid months will be deducted in equal amounts in advance during the employees' paid work months. This provision applies to regular employees working nine-, ten-, or eleven-month work years.

10.9 **Disability Income Protection**

The District shall maintain a policy of disability income protection for unit members who work fifty percent (50%) or more of full-time. For purposes of disability income coverage, fifty percent (50%) or more is based upon a minimum twenty (20) hours or more a week for a nine-, ten- or eleven-month unit member.

10.9.1 Unit members who receive payment under the terms of the policy of the District's disability income protection plan shall be provided the same level of District medical benefits that they were receiving at the time of disability for the period not to exceed a twelve (12) month period following the expiration of the employee's paid leaves. This benefit is provided to eligible employees for a maximum of twelve (12) months during his or her lifetime.

10.9.2 Payment arrangement for any monthly out-of-pocket premium costs in excess of the established District contribution must be made with the Employee Benefits Department at the District Office. Any out-of-pocket premium costs must be paid by the first day of each month or coverage will lapse.

10.9.3 If the disability payments should stop for any reason during the one-year period and the employee has not returned to work, the District contribution will terminate on the last day of the month in which the disability payments ceased. The unit member shall immediately notify the District if disability payments cease.

10.9.4 After the twelve-month period, unit members qualifying to receive payment under the terms of the policy for disability income protection may continue to be covered under the District's medical benefits program at the employee's expense provided that the program or policy permits such participation. Payment arrangements must also be made with the Employee Benefits Department at the District Office.

10.9.5 Employees who elect to retire during this one-year period, and who qualify for the retiree medical District contribution, shall be subject to the rules governing retiree District contributions after the one-year period.

10.9.6 Should the employee's resignation or termination occur within the twelve (12) month period, the employee may elect COBRA benefits or District medical extension only.

10.9.6.1 If the employee elects COBRA benefits, the District will pay the amount determined in Section 10.9.1 toward the COBRA medical premium until the District has paid the full twelve-month benefit provided in Section 10.9.1. During this period, the employee must

pay the normal employee contribution to maintain this benefit. The employee shall make any COBRA premium payments thereafter.

- 10.9.6.2 If the employee elects District medical extension only, the District will pay the amount determined in Section 10.9.1 toward the medical premium until the District has paid the full twelve-month benefit provided in Section 10.9.1. During this period, the employee must pay the normal employee contribution to maintain this benefit. The employee's participation in the District medical plan will cease at the end of the District-paid period.

10.10 **Health Care Benefit for Retirees**

A District contribution shall be provided to the unit member who qualifies or is eligible based upon one of the following:

- 10.10.1 For full-time regular members (40 hour week, 9 or more work months) of the bargaining unit employed before February 1, 1989, the District shall make monthly contributions for those members who have three (3) immediate prior years of service with the District at the time of retirement.
- 10.10.2 The District shall make monthly contributions for full-time regular members (40 hour week, 9 or more work months) of the bargaining unit employed between February 1, 1989, and June 30, 1990, who have seven (7) immediate prior years of service with the District at the time of retirement.
- 10.10.3 For full-time regular members (40 hour week, 9 or more work months) of the bargaining unit who were hired after June 30, 1990, to August 31, 1993, the District shall make monthly contributions for those members who have twelve (12) immediate prior years of service with the District at the time of retirement.
- 10.10.4 For full-time regular members (40 hour week, 9 or more work months) of the bargaining unit who were hired on or after September 1, 1993, the District shall make monthly contributions for those members who have fifteen (15) immediate prior years of service with the District at the time of retirement.
- 10.10.5 The District shall make a monthly contribution for eligible unit members of the bargaining unit who are age fifty-five (55) or over at the currently established rate of \$235 a month. The District contribution towards medical premiums is provided for the retiree only.
- 10.10.5.1 The amount of the District contribution toward retiree health care benefits may exceed the above schedule amount if such increase is a result of policies publicly adopted by the Board of Trustees. Further, the grievance must specify a remedy mutually applicable to all parties endorsing the grievance.

11.2 Purpose

Both parties agree that the purpose of this grievance procedure is to resolve grievances at the lowest possible administrative level.

11.3 Utilizing Procedure in Proper Order

All levels of the grievance procedure must, unless otherwise mutually agreed to by the parties of this Agreement, be exhausted prior to the seeking of other remedial relief.

11.4 Consolidation of Grievances

If grievances that are not significantly different from one another are made by more than one allegation document, the LRCEA and the District, by mutual agreement, shall be allowed to consolidate all such grievances and process them as if they were a single grievance.

11.5 Exclusions

11.5.1 Board Policies

Specifically excluded from this grievance process are actions to challenge or change the general policies of the District as set forth in Board or Administrative policies or rules, except such policies or rules that are within the scope of representation pursuant to Section 3543.2 of the Educational Employment Relations Act. - c) LRCEA shall have the right of comment within a reasonable time frame prior to execution of such proposed settlement; and,

Failure to submit the grievance in accordance with time limits (unless waived by both parties) shall constitute abandonment of the grievance. 11.9 Withdrawing a Grievance

A grievance may be terminated at any time upon receipt of a signed statement from the grievant, if the grievant is not represented by LRCEA, or his or her LRCEA representative, if the grievant is represented by LRCEA, that the grievance is being withdrawn. - 6) Any reference to "prior year" refers to the fiscal year preceding one of the contract years stated above.

The determination as to whether such defined revenues are "continuous" or "one-time-only" is defined below but may be modified during the term of this contract due to new State laws and State regulations. Such revenues and related base amounts associated with such revenues are defined as follows:

A.1.1 Base Revenues (Basic Allocation plus Base Full-Time Equivalent Students; funded by State General Apportionment, Property Taxes, Education Protection Account (EPA) and Student Enrollment Fees)

The base amount for the contract year is the revenue level recognized in the prior fiscal year that was used for retroactive salary improvement calculations for that year including any prior year Cost of Living Adjustments (COLA), and prior year Growth Funds and reduced by any State deficit, which may be applied retroactively. Base revenues are generally considered "continuous" funds and shall be used to fund continuing salary and benefit costs applicable to LRCEA unit members.

A.1.2 COLA

New or increased revenues above the base amount are generally derived from two primary sources: 1) Cost of Living Adjustments (COLA); and 2) Growth Funds. The determination, availability, and distribution of the bargaining units proportionate share of new or increased revenues due to the COLA factor applied to Base Revenue is dependent upon the final adoption of the State Budget and the reliability of receiving such entitlements. An initial salary schedule improvement may be implemented for the fiscal year based upon COLA funds authorized in the State budget for community colleges provided that such COLA revenues are reliable (no projected State funding deficit) and subject to the use of such funds as provided in section A.2.

A.1.3 Growth Funds

After providing for specified District costs associated with student growth, available Growth Funds as described in Attachment 1 which are attributed to an increase in funded Full-Time Equivalent Students (FTES) or an increase in the District's Basic Allocation are considered "continuous" funds and are proportionately allocated to the unit.

A.1.4 Lottery Revenue

The initial base amount for Lottery revenue is established at \$3.3M. Effective July 1, 2000, fifty percent (50%) of Lottery revenues above 1997-98 revenues are restricted per the conditions set forth in Proposition 20. Such restricted amounts may not be used for salaries and benefits and, therefore, are excluded from the provisions of this section.

Beginning in 2014-15 the base amount for unrestricted Lottery revenue will be increased by \$2.6M to a new established base of \$5.9M. Eighty percent (80%) which is \$2.08M of the increase will be considered a continuing resource and the proportionate amount of such funds provided to LRCEA through the proportionate share calculation as a continuing resource.

Lottery revenues below the base amount of \$5.9M shall reduce available continuous funds.

Any revenue received above the new established base of \$5.9M is considered one-time-only revenue and the proportionate amount of eighty percent (80%) of such funds provided to the LRCEA unit as a non-continuing resource.

A.1.5 State Mandates

Mandate Block Grant is unrestricted funding provided to districts that elect to receive a block grant in lieu of filing claims seeking reimbursement for mandated activities for a specific fiscal year. If the State budget includes mandate block grant funding during the contract year and the District elects to receive the block grant in lieu of filing a claim, eighty percent (80%) of that amount will be allocated to the compensation calculation to be distributed to the LRCEA unit based upon its proportionate share. This resource is categorized as one-time funding.

This section is not applicable to mandate reimbursements, if any, for claims filed for years preceding the 2014-15 fiscal year.

A.1.6 District Contribution Reduction

Should the District contribution for medical and dental coverage be reduced in a contract year below the preceding year's established level, the related reduction in District contribution costs for unit members shall be returned to the unit as a source of funds which is available for redistribution.

A.1.6.1 The amount of funds attributed to any premium reductions in a contract year shall be distributed to unit members in combination with any growth funds.

A.1.7 Cost Reduction/Salary Savings

The proportionate share of any cost savings which were previously funded from student growth funds as further described in Attachment 1 of this Agreement and salary savings described in Appendix A, Section A.8, of this Agreement shall be available to the unit as another source of funds.

A.1.7.1 The amount of funds attributed to the defined cost savings in a contract year shall be distributed to unit members in combination with any growth funds.

A.1.8 State Revenue Recalculations

Should Base, COLA, Growth or Lottery revenues be increased or reduced as a result of retroactive calculations performed by the State Chancellor's Office (February of the following year Recalculation for prior year revenues or other State computations), such revenue adjustments for the prior year shall be applied to current year revenue computations as per A.1.1, A.1.2, A.1.3, or A.1.4 provisions.

A.1.9 Carry Forward of Continuing Funds from prior year

No more than \$84,716 may be carried forward from the prior year for other staff development activities. The District will appropriate \$84,716 each year for staff development leaves for LRCEA unit members. The source of the \$84,716 carryover will be the balance remaining from the carryover allocation plus any remaining funds from the annual leave appropriation. Any amount in excess of the \$84,716 will be included as a unit specific one-time resource in the annual compensation calculation.

A.2 **Distribution or Allocation of Funds**

Unit members' proportionate share of such additional funds shall be applied in the following priority order:

- A.2.1 The cost of step increments for a contract year for unit members and any prior year step increment costs which were not adequately funded from previous year's continuing funds; then
- A.2.2 Any increased District cost of providing disability insurance coverage or unemployment insurance coverage to unit members in a contract year; then
- A.2.3 The District contribution cost increases for medical coverage up to the amount agreed to per Article 10.2 for a contract year.
- A.2.3.1 In 2014-15, the maximum District contribution amount is currently established at \$1,130.16 per month (12 month basis).
- A.2.3.2 The District contribution as defined in A.2.3.1 shall be provided to each participating regular employee who works fifty percent (50%) or more of regular full-time and as further defined in Article 10 of this Agreement. The contribution level is only made up to the premium level for the plan selected.
- A.2.3.3 For 2014-15, the District will contribute to a Health.Savings Account (H.S.A.) for regular employees who select the Western Health Advantage High Deductible Health Plan (WHA HDHP). The contribution level is either \$100 per month or \$150 per month, dependent upon single or family coverage, respectively. The contribution will remain in effect for the contract term unless the WHA HDHP is discontinued or as long as the WHA HDHP premium plus the H.S.A. contribution is less than or equal to the District contribution. The H.S.A. contribution amount is subject to the condition set forth in A.2.3.2.
- A.2.4 The increased cost in a contract year for the District contribution for monthly dental premiums up to the contract year monthly premium amount. For 2014-15, the District contribution level is currently established at \$129.00 (12 month basis).
- A.2.4.1 The 2014-15 established District contribution of \$129.00 per month or as increased pursuant to A.2.4 shall be provided to each participating regular employee who either works full-time or works at least fifty percent (50%) or more of regular full-time and as further defined in Article 10.
- A.2.5 Premium increases above the premium of \$6.80 per month per participant (guaranteed through 2015-16) for \$50,000 in term life insurance and accidental death and dismemberment coverage.
- A.2.6 Remaining funds shall be combined with the unit's proportionate share of Available Growth Fund calculations (Attachment 1) and provided as a retroactive salary improvement for the contract year unless the District and the Unit agree to defer remaining funds, if any to future contract years. The cost of any salary schedule improvements provided in advance of the final determination of revenues available to LRCEA shall be considered in the retroactive salary calculations. Any salary and payroll-related fringe benefit improvements (continuous or one-

time-only improvements) shall be effective for services rendered as of July 1, of the contract year.

A.3 Any improvements in District contribution levels to medical and dental premium costs will be effective July 1, of the contract year.

A.4 The costs defined in Section A.2 are considered continuing costs and require defined "continuing" funds (as defined in Section A.1) in order to continue the funding support of such costs in succeeding fiscal years. Any of the above costs funded in a contract year from one-time-only revenues (as defined in Section A.1) of this Agreement shall be considered one-time-only distributions/improvements for the contract year.

A.5 The District and LRCEA shall meet, if requested by either party by February 1st, each Spring of the 2014-17 contract to negotiate over possible options for the redistribution of LRCEA's proportionate share of available revenues defined per Appendix A of the 2014-17 Agreement.

A.5.1 It is understood that the cost of funding annual step increments shall have first priority on such available funds.

A.6 **Scheduled Distribution of Lottery Revenues**

The increase in funds attributable to Lottery revenues above the base amount stated in Section A.1.4 shall be considered one-time-only payments and will be distributed to LRCEA unit members on an annual basis with other retroactive salary compensation for the fiscal year.

A.6.1 Lottery revenues for the fiscal year will be reasonably estimated at the time of processing any retroactive salary payments and the estimated lottery funds shall be included in the scheduled retroactive compensation improvement. Any revenue differences between actual lottery revenues received for a contract year compared to the lottery revenue estimates used in the improvements to salary and benefits shall be included in the succeeding contract year revenue distribution to LRCEA.

A.6.2 The District Office Business Services staff shall inform LRCEA of the lottery amount received annually.

A.7 **Distribution of Available Growth Revenues**

The distribution of net resources as defined in A.2.6 shall be distributed no later than sixty (60) days after the final status of such funds is determined by the California Community Colleges Chancellor's Office, or the close of the District's fiscal year, whichever is later.

A.8 **Salary Savings**

After consideration for replacement costs, net salary schedule savings (decrements) realized from unit members' retirements, resignations and changes to categorically funded assignments which occur in a contract year may be used to:

A.8.1 Address the unit's proportionate share of any reductions in base revenues which is below the defined base, and

A.8.2 Remaining net salary savings (decrements) shall be included in the distribution or allocation of funds to unit members as described in A.7.

Salary savings resulting from unclaimed Dependent Care Assistance Program or Flexible Spending Plan elections by LRCEA unit members will revert to unit members who participated in the plan(s) per Internal Revenue Service code net of any costs associated with the plan administration.

A.9 **Other Unrestricted Funds**

Should other new State unrestricted revenues become available in a contract year as a result of changes in funding legislation or excess unrestricted funds above the State's appropriation limit, such new revenue source(s) shall be subject to further negotiations.

A.9.1 The District shall notify the LRCEA unit of such new unrestricted revenues which are subject to further negotiations.

A.10 Excluded Revenue/Funding Sources

Other State revenues not defined herein and other categorical apportionment funds, state apprenticeship, and other restricted or designated revenue sources shall be excluded from any computations of the bargaining unit's proportionate share of funds.

A.11 Ten Percent (10%) Limitation

Should a contract year revenues as defined above provide sufficient funding for salary, fringe, and health benefit improvements, including step changes and other mutually agreed upon allocations which result in a distribution in excess of ten percent (10%), such excess funds above ten percent (10%) shall be subject to further negotiations for the contract year.

A.11.1 The District shall notify the LRCEA unit of such excess funds above the ten percent (10%) level as it relates to the revenues defined herein.

A.12 Review of District Records

Records maintained by the District Office Business Services Department related to the implementation and calculation of LRCEA's proportionate share of the defined funds shall be available for review by designated representatives of the LRCEA Executive Board. LRCEA and Business Services representatives shall meet at a mutually agreeable time. Business Services representatives will provide copies of any records upon the request of the designated representatives during their review of the records.

Annual reports summarizing the calculation of LRCEA's proportionate share of defined funds and the allocation/distribution of such funds shall be prepared by Business Services representatives. All such summary reports relating to the implementation of Articles 9 and 10 and this Appendix shall be provided to designated representatives of LRCEA.

A.13 Changes in Funding Formulas for Community Colleges

Should the funding formula for community colleges change substantially which affects the application of the contract provisions, the above Sections A.1 to A.3 shall not apply. Such new unrestricted funding provisions shall be subject to further negotiation for the contract year.

A.14 Reduction or Insufficient Defined Revenues in

Should the total of all defined revenue/resources for a contract year be less than the various specified base amounts stated in Section A.1, LRCEA unit members shall bear their proportionate share of such reduced or insufficient funding levels.

A.14.1 LRCEA's proportionate share of computed revenue reductions shall be applied to: a) salary schedule adjustments; b) workload adjustments; c) suspension of salary schedule step advancements; d) benefit level adjustments; or e) other adjustments as mutually agreed to by LRCEA and the District. Following written notice to LRCEA from the District regarding the proportionate share reductions, if the District and LRCEA cannot agree on a plan for application of LRCEA's proportionate share of the defined revenue reductions, after both parties have engaged in good faith negotiations for a period of thirty (30) days, if no agreement has been reached between the parties, the parties will, if requested by either party, jointly declare impasse and request the PERB to certify the impasse and have a mediator assigned to assist the parties. Not less than sixty (60) days from the District's notice to LRCEA of the potential need to implement reductions, the District may implement the reduction in accordance with the items outlined in A.14.1. Following the District's implementation, the District will continue to expeditiously negotiate

in good faith with LRCEA regarding the final manner for how the reductions are borne by the unit, up to and including impasse, mediation and fact-finding. Any implemented reductions form the base for succeeding years.

A.15 If the total of a contract year defined revenues are calculated at a lower level than received in in the prior year, the total cost savings described in Attachment 1 and A.8 shall offset such decreased revenues. The bargaining unit's proportionate share shall be based upon eighty percent (80%) of Base, COLA and Growth revenue reductions and other revenue.

A.15.1 If a contract year defined revenues have increased above prior year specified levels, the calculated cost savings per Attachment 1 shall be considered another source of revenue.

A.16 **Layoff Provision**

No unit member will be laid off for fiscal reasons during the contract year if all the following conditions exist: 1) District revenues (Basic Allocation, COLA, and Growth provisions) for the contract year are maintained at the amount received in the prior year; 2) categorical funding remains at the same level for the contract year as the prior year; and 3) there are no operational deficits in the contract year for auxiliary services.

A.17 **Cost Advances**

The cost of a contract year step increments and other additional payroll related benefit costs for a contract year which are not sufficiently funded shall then be considered advanced by the District for the contract year. Any costs advanced which are insufficiently funded by the District shall have first priority in the utilization of LRCEA's proportionate share of defined revenues in future years..

Attachment 1: Calculation of Available Growth Revenues & Related Growth Cost, 2014-2017

The following information has been prepared to describe how District growth revenues are appropriated to serve the additional students of our District and the funding of related growth costs. Revenue amounts remaining after funding the identified growth costs is called Available Growth Revenues.

1.0 Calculation of Available Growth Revenues

Eighty percent (80%) of Growth Funds as defined in Appendix A received in a contract year shall be initially appropriated in the following manner:

- 1.1 The increased costs associated with each year's actual full-time equivalent (FTE) instructional level which is above the previous year's actual instructional staffing level;
 - 1.1.1 The actual instructional staffing level for each year shall be determined after the end of the third week of Spring and shall be based upon the average of the Fall/Spring instructional FTE level for that year plus the change in FTE for the Summer term above the base level of 122.34. For this provision, the Summer term is the term occurring prior to the Fall term for the fiscal year.
 - 1.1.1.1 To calculate the growth in instructional FTE for the Summer term, a productivity level of 450 will be used. If the actual Summer term productivity is below 450, growth funds will not be charged for FTE utilized below the 450 level.
 - 1.1.2 Such costs shall be computed based upon the 2013-14 standard adjunct FTE cost of \$50,658 which includes the continuing salary schedule improvements funded from part-time faculty compensation except the standard adjunct cost for Summer term instruction which will not include the health and welfare benefit costs and
 - 1) for 2014-15, any salary schedule improvements provided in 2013-14 after April 2014 and salary improvements provided for 2014-15; then
 - 2) for 2015-16, additional improvements provided for 2015-16 applied to the standard adjunct FTE cost, as adjusted, for 2014-15; then
 - 3) for 2016-17, additional improvements provided for 2016-17 applied to the standard adjunct FTE cost, as adjusted, for 2015-16.
 - 1.1.3 The increased cost over the previous year's cost related to contracted instruction such as public safety instructional programs and other contracts;
 - 1.1.4 The determination of actual staffing level utilized, increased contracted instruction costs and actual enrollment growth revenues received for the contract year shall be made no later than sixty (60) days following the close of the District's fiscal year-end. Potential State funding deficits may reduce expected growth revenue. The records maintained by the District Office Business Services Department shall be used to determine actual staffing levels.
- 1.2 The salary and fringe benefit annual contract cost in the contract year of additional certificated counselors required to maintain a counselor/student ratio of 1:900;

- 1.2.1 Such positions shall be hired for the start of the following Fall semester; and
- 1.2.3 Continuing growth funds shall be committed for the additional authorized counseling positions and any unused continuing funds set aside for this purpose in the contract year shall be proportionately distributed to the unit on a one-time-only basis; then
- 1.3 The cost of additional full-time faculty required to be hired as specified in Title V provisions. The incremental salary and fringe benefits costs due to conversion of part-time instructional FTE to regular instructional positions and salary and benefit costs of other non-classroom faculty positions shall be funded from specified growth funds. The standard cost of salary and payroll related fringe benefit costs for 2013-14 is currently established at \$30,658 for converted instructional FTE. The standard cost of salary and payroll related fringe benefit costs or actual cost for newly hired non-classroom faculty (164 or 174 day) for 2013-14 is \$77,321 or \$87,109 respectively. The established District contribution cost towards health benefits shall also be considered. Calculated standard costs for required faculty hires pursuant to Title V provisions shall be increased by any salary schedule and fringe benefit improvements provided in 2013-14 after April 2014 and salary improvements provided in 2014-15, 2015-16 and 2016-17, as applicable;
 - 1.3.1 The salary and benefit costs of the additional full-time faculty hired shall consider whether such hires were for the start of the Spring semester or the following Fall semester.
 - 1.3.2 Continuing growth funds shall be committed for any positions authorized in the contract year and;
 - 1.3.3 Any unused continuing growth funds set aside for this purpose shall be proportionately distributed to the unit on a one-time-only basis; then
- 1.4 The salary and fringe benefit cost of additional classified positions which are needed as a result of District enrollment growth or new educational sites.
 - 1.4.1 The maximum number of additional full-time equivalent (FTE) classified staff required due to enrollment growth shall be based upon the District's current growth factor percentage assigned by the State multiplied by the total classified FTE level authorized for the year. Authorized classified FTE includes White Collar, Blue Collar, Supervisory and Confidential positions funded with general purpose revenues; and,
 - 1.4.2 Classified positions (FTE) which are funded with categorical resources/revenues are excluded from this computation; then
 - 1.4.3 The additional classified FTE shall be in place no earlier than the Spring semester of the contract year or July 1 of the succeeding year; and,
 - 1.4.4 The actual number of additional classified staff (FTE) authorized for the contract year and the related salary and benefit costs of such positions shall be funded from continuing growth funds; and,
 - 1.4.5 The cost of any retroactive salary improvements for the additional classified positions which are authorized in a given contract year shall be provided from growth funds at \$55,000 per FTE, which is based on the average salary from prior year 1% calculation; and,
 - 1.4.6 Any unused continuing growth funds appropriated for new classified staff positions shall be included in Available Growth Funds and proportionately distributed to the unit on a one-time-only basis.
- 1.5 Additional administrative positions shall not be funded from Growth Funds.

- 1.6 Then remaining Available Growth Funds shall be distributed proportionately to LRCEA in accordance with Appendix A, Section A.1.3.
- 1.7 **Cost Reductions**
The cost savings or cost reductions related to those items listed below shall be calculated and applied as an additional source of funds. Typical items are student growth costs previously funded from growth revenues and are:
- 1.7.1 The cost reductions associated with the actual instructional FTE utilized for the academic year based upon the average of the Fall/Spring fourth week instructional FTE level which is below the previous year's actual instructional staffing level. The standard 2013-14 part-time cost per FTE of \$50,658, as defined per Section 1.1, shall be used to determine instructional cost savings; plus cost reductions in Summer term instructional FTE above the base level of 122.34 FTE; and,
- 1.7.2 The cost reductions in the contract year attributed to the annual salary and fringe benefit cost due to the reduced number of full-time-equivalent (FTE) certificated counselors required per the terms of the LRCEA contract. The previous year's required counseling FTE shall be used as a base to determine the net reduction in FTE for the current contract year. The standard counseling part-time cost per FTE (@174 days) or the standard cost for entry level Schedule A shall be used to determine such cost reductions. The standard 2013-14 counseling part-time cost per FTE is \$72,854. Actual counselor staffing FTE levels above the required staffing level shall be used in the determination of cost if such levels are greater.
- 1.7.3 Any other cost reductions due to staffing changes (reduction) which were previously funded from growth funds as further described 1.1 to 1.4.
- 1.7.4 The total amount of cost savings as determined above shall be proportionately distributed to LRCEA.
- 1.8 Available Growth Revenue for 2015-16 and 2016-17 shall be determined in the same manner as 2013-14 contract year except that:
- 1.8.1 The actual instructional staffing levels expressed in full-time equivalent (FTE) terms in either 2015-16 or 2016-17 which is greater than the actual FTE level of the previous year shall be determined for the particular contract year; and
- 1.8.2 Standard part-time FTE cost for 2013-14 shall be adjusted for salary schedule improvements provided in 2014-15, 2015-16, and 2016-17. The standard part-time FTE cost for 2013-14 is \$50,658.
- 1.8.3 The standard net cost increase plus the established District contribution cost towards health benefits for any conversions of part-time instructional FTE shall be adjusted for any salary schedule and benefit improvements provided in 2013-14, 2014-15, and 2015-16. The 2013-14 standard net cost increase amounted to \$30,658.
- 1.8.4 The increased (or decreased) cost of contracted instructional programs in 2015-16 or in 2016-17 over the previous year's level.

Directions for completing the Compensatory Time Off (CTO) Timesheet:

This form is to be used when the employee plans to take CTO time for overtime worked. If the employee wants to receive payment for overtime worked, the 'Classified Employees Overtime' timesheet should be used.

CTO is to be used or paid in the order earned. So, the hours earned first are used or paid first.

A separate form should be used for each month CTO is *earned*. If CTO is not used within the succeeding three months, the hours are to be submitted to the Administrative Officer for processing.

1. Employee enters Last and First Name, and Employee ID and checks the appropriate location box.
2. CTO Earned –
 - Enter month and year CTO is earned.
 - As earned, enter date worked and hours worked.
 - In the 'Hours Converted to Straight Time' column, convert the hours worked to straight time hours by applying the appropriate overtime rate (e.g. 4 hours earned and payable at 1-1/2 times the employee's pay rate would be six 'Hours Converted to Straight Time' (4 hours worked x 1-1/2 overtime rate).
 - Enter a month Total for Hours Worked and Hours Converted to Straight Time.
3. CTO Use – to be used for the three months succeeding the month CTO is earned.
 - Enter month and year CTO is used (must be less than three months after CTO earned).
 - Enter Date CTO used and Hours used at Straight Time. Total the hours for the given month.
 - Same information is to be completed for the three months following earning CTO. Use a separate column for each month and follow steps above.

Sample of completed form:

In this example, two hours would be submitted for processing (6 hours earned minus 4 hours used).

4. Complete the information box with the budget number and hours to be paid. Straight time hours need to be reported, not overtime hours. If payment is not required, steps 5 and 6 must still be completed.
5. Signatures are needed as identified, and the form should be dated.
6. If time is to be paid, forms need to be submitted to the Administrative Officer by the 25th of the month. If payment is not required, forward to the appropriate Administrative Officer with monthly absence report.

Memorandum of Understanding, LRCEA

Staff Development

Fiscal Year 2012-13

LOS RIOS COMMUNITY COLLEGE DISTRICT Memorandum of Understanding LRCEA

This MOU addresses the carryover of staff development funds.

Background

Per Section 16.1.1 of the 2011-14 agreement, each spring *“the District and LRCEA shall meet to review the projected balance of staff development funds both from prior years and the current year allocation from unused staff development leaves related to the LRCEA Staff Development Program described in Article 7 of this Agreement to determine whether the full amount shall be carried forward or re-directed to support other unit costs”*

For 2012-13, the balance from the 2011-12 allocation for leaves was combined with the balance remaining from the \$84,716 that was carried forward from the 2010-11 year to support other staff development activities for a total of \$92,085.

As of May 31st, only \$21,505 has been expended from the \$92,085. In addition, only one full and one partial leave was requested during 2012-13. The leave is intended to cover three full semester leaves at 85% of salary and so a majority of the allocation will not be used. The District has asked the unit to automatically allow funds in excess of \$84,716 to be directed toward supporting the unit's compensation.

To restate, the District requests the contract be modified so that no more than \$84,716 be carried forward from the prior year for other staff development activities. The District will continue to appropriate \$84,716 each year for staff development leaves for LRCEA unit members as defined in the contract. The source of the \$84,716 carryover will be the balance remaining from the carryover allocation plus any remaining funds from the annual leave appropriation. Any amount in excess of the \$84,716 will be included as a unit specific resource (one-time only) in the annual compensation calculation.

Summary of Recommendation

- a) First, establish the maximum amount to be carried over for staff development activities at \$84,716.
- b) Then each year, designate remaining funds from the prior year's carryover and the current year's leave allocation to be carried over to the following year up to the maximum of \$84,716.
- c) Lastly, direct any remaining (excess) funds from the leaves/allocation to the LRCEA compensation calculation as a one-time source of funds.
