

## Sample Camp Video Script for Speaker

*(Obviously there are phrases and terminology in this script that are taken from my talks and I would certainly encourage you to use some from your talks that will ring true with kids and spur those memories of clubs and cabin times even years later.)*

**We hope you enjoyed your week here at Crooked Creek Ranch. On behalf of the Assigned Team, Work Crew, and Summer Staff we're so glad you came. We promised you a week of high adventure and that here in the mountains you would get to see God in a whole new way.**

**Jesus said "I came that you might have life and life to the full" and his promise to each of you is "yet to all who received Him, to those who called upon His name, He gave the right to become children of God".**

**The note has been written. It's been written in the stars across the sky and the mountains that surrounded us... and it was signed at the cross. And no matter how you responded, I hope you know that there's a God that knows you, loves you, pursues you... and came down on the blanket to be with you.**

**May God bless you and thanks so much for coming.**
