When most people think about worship, their idea of it is often limited to just praising God through music. While that is one of the ways that we can worship Him (and something we are going to be doing a lot of for Night of Worship), it is just one of the ways that we as believers and the body of Christ can glorify the God. **Come worship with us this Monday at 7:15 through singing, scripture reading, prayer, and preaching as we dedicate a night for the purpose of making much of our Savior.** This will also be a night that we will be commissioning our spring break missionaries. This will be a time we pray that God would use them to further the name of Jesus in New York and Albany, Georgia.

“For who is God, but the Lord? And who is a rock, except our God?” Psalm 18:31

Who is a rock except our God? I came across this verse a couple of days ago, and I love it. It seems like a simple question with an obvious answer, but if we really think about it, who is stronger than our God? David says earlier in chapter 18 that “Then the earth reeled and rocked; the foundations also of the mountains trembled and quaked, because he was angry (v.7). God shook the foundations of one of the most foundational sound landscapes. If God can cause the depths of the mountains to tremble what else can he do? And what can our God not do? Luke 1:37 says “For nothing will be impossible with God.” Just as God moved mountains, he can move anything in your life. No problem is too difficult for him to solve, no sin so revolting that he cannot forgive. Our God is greater, and our God is stronger than any other.

These last two months of school are jam packed with opportunities to get involved with missions. We are currently still selling our **UNG BCM Patagonia styled t-shirts for \$20 and car stickers for \$2.** This money will go

towards our \$25,000 mission goal. Money for sacrificial giving may be brought in at any time during the week. BCM is also hosting a parent's banquet at the end of April. At this special dinner, there will be a silent auction where parents and students can bid on items. These silent auction items can range from sporting event tickets, painted canvases, or even a weekend at your

families beach house. We need your help with gathering items! If you have something that you think would be a fun item, please let Anna Farrington know ASAP. Feel free to be creative!
