THE STAR SYDNEY
MODIFICATION 13
NEW NEIGHBOURHOOD CENTRE
A PLACE FOR COMMUNITY

The Pyrmont Neighbourhood Centre will provide the amenity and resources needed for a continuously growing high density city suburb like Pyrmont.

The new centre, for the Pyrmont community, will provide indoor and outdoor areas across 1,333sqm of high quality, centrally located community space.

With facilities over 4 levels, the new northern orientated civic space will provide contemporary learning centre resources, lounge space to escape the pressure of high density living plus a range of spaces for community hire and a link to City of Sydney library services.
The Pyrmont Neighbourhood Centre, located at the prime northern end of the site, with views to parklands, REVY site and easy access to Darling Harbour, Pyrmont’s new Neighbourhood Lounge and Resource centre will provide the amenity and resources needed for a continuously growing high density city suburb.

The proposed Neighbourhood Centre will provide contemporary learning centre resources, lounge space to escape the pressure of high density living plus a range of spaces for community hire. This space will be highly flexible and can be adjusted to meet the City of Sydney’s needs assessment.

The draft plan of management proposes the creation of a Neighbourhood Advisory Committee to work with a dedicated Centre Manager to manage the facility.
