Using the above criteria please briefly outline why you wish to nominate your Parent Group in your school community (please continue on separate sheet if necessary)

The Men of MCC are a group of like minded fathers who come together to celebrate the children, with events such as camp outs, fishing trips and BBQ's, this small group of dads under the guidance of Mr Chris Archer works to make our College a welcoming and inclusive place for dads.

The group formed under the ideal of dads being more involved and active with their children, while having the opportunity to socialise with other dads. There is often a large focus placed on the importance of mums not being isolated, which is very important, and the Men of MCC work to spread this ideal to our dads too.

With so many pressures placed on being a 'good dad' and a 'good provider' even in this enlightened age it is vital we support our dads in a way which provides them with opportunities to celebrate and have fun with their children.

The MCC P&F have been staunch supporters of this endeavour over the past 2 years and we have seen the success grow with each event, we would like to thank Chris Archer and his team for providing these opportunities for our College families.

The Men of MCC have also supported the P&F at events and particularly the welcome event where great opportunities exists for new families to see the results of 2 groups collaborating for the good of our families.

Only affiliated schools are eligible to nominate for these awards.
