

Log in to your faculty account

Log in to Concept Coach using your instructor (not student) credentials by visiting:
openstax.org/l/ccfacultylogin

TIP: You should have an existing account. You should not need to sign up for a new account. Contact support if you have problems accessing your existing account: support@openstax.org.

Create a new course or copy your previous course

Teaching a Concept Coach course that you've taught before?*

Find the course you wish to reteach, then hover over the course and click "Teach Again."

*Any questions you previously excluded will remain excluded in your new course. Some questions have been added, corrected or removed to improve the quality of the Question Library. You can always make changes to the Question Library before opening assignments.

**Introduction to Sociology 2e is used as an example.

Continue to next page.

Teaching a Concept Coach course that you've never taught before?

Click "Add a Course."

3

Follow the prompts to setup your course

Once you have completed all of the screens, it will take a few moments to build your course.

4

Getting started in your new course

You have reached your course dashboard. Click your name in the top right corner of your screen and select "Course Settings and Roster."

Get your enrollment codes

Next, click each section's blue "Your Student Enrollment Code" link to access your enrollment codes. Each section will have its own unique code.

Introduction to Sociology 2e with Concept Coach [Rename Course](#)
 Spring 2017
 Starts: 12/31/2016 Ends: 06/30/2017 Central Time (US & Canada) [Change Course Timezone](#)

Instructors [+ Add Instructor](#)

First Name	Last Name	Actions
Trent	Deckow	Remove

1st 2nd 3rd [+ Add Section](#)

[Your student enrollment code](#) [Rename](#) [Delete Section](#)

Use the "Get Student Enrollment Code" link above to get the code for this section of your course. As your students login to Concept Coach, they will start appearing here. You will be able to drop students or change their sections from this page.

Share your enrollment codes

Copy the enrollment code example message and share it in your syllabus, learning management system, or preferred method of contact for each section. **YOU MUST SEND THIS MESSAGE WITH THE ENROLLMENT CODE FOR YOUR STUDENTS TO BE ABLE TO LOG IN TO CONCEPT COACH.**

Tip: You can access your book within your Concept Coach dashboard by clicking "Online Book" in the menu bar, or by visiting openstax.org/l/A&P and selecting "view Concept Coach version online."

Your student enrollment code

The enrollment code for this section is:
387720

Each section of your course will have a different enrollment code.
 Send the following enrollment instructions to students in this section of your course:

Concept Coach is a free learning tool embedded in your online book. After reading a section of the book, launch Concept Coach to complete practice questions and give your learning a boost.

To register for Concept Coach:

1. Paste this link in your web browser to visit the class textbook:

Continue to next page.

Add a co-instructor or teaching assistant

To add a Co-Instructor, click “Add Instructor” and share the link. This is optional.

Notify your bookstore

Ask your campus bookstore to order print copies of your book through NACSCORP to cover 10% of your class enrollment, so your students have the option of purchasing a low-cost print version in addition to the Concept Coach book.

Access additional resources

If you want to access additional instructor-only resources and partner resources like online homework for your book, visit openstax.org/partners

Get your students started

On openstax.org/subjects, choose your book and click “Student Resources.” Download the Concept Coach + OpenStax Getting Started Guide for Students and share with your students.
