

Dress Code

It is the desire of the teachers and the School Board to maintain in dress, as well as manners, the influence of a Christian atmosphere. Our desire is that the focus of the students, parents, and staff be on Christ and learning. A student's appearance should be neat, modest, and appropriate in the style and fit.

Girls

Modest and appropriate standards are met by a dress, shorts, jumper, skirt, split skirt, pants, capris or jeans with a collared shirt, sweater or layering top.

Boys

Modest and appropriate standards are met by pants, jeans or shorts with a collared shirt, sweater or layering top.
