Mental Health Urgent Care

85 Ramona Expressway, Suites 1-3 | Perris, CA 92571 | 951-349-4195

Hours: **We are open 24 hours a day, 7 days a week (including holidays)**

To Make Referrals: **Walk-ins are welcomed and encouraged.**

Referrals can come from Riverside County's mobile crisis teams, local hospital emergency departments, law enforcement, faith-based organizations, family, and friends.

Ages Served: Adolescents, ages 13-17, and adults, ages 18 and older

About the Program: Our program offers voluntary services in a non-residential but homelike setting to guests and aims to increase access to crisis services, reduce inpatient hospitalizations, reduce the amount of time that law enforcement is involved in a mental health crisis, and strengthen the existing outpatient behavioral services. Fifty percent of our full-time staff have lived experience and are included on all shifts. This program is funded by Riverside University Health System-Behavioral Health (RUHS-BH).

Services Provided: Peer support
Crisis support and stabilization services
Medication management and support
Linkage to county resources and longer-term stabilization programs
